Petitioner also alleged that she received the vaccine within the United States, that she suffered the residual effects of her SIRVA for more than six months, and that neither she nor any other party has filed a civil action or received compensation for her SIRVA, alleged as vaccine caused. *Id.* at ¶¶ 1, 27-29. On February 5, 2026, Respondent filed his Rule 4(c) report in which he concedes that Petitioner is entitled to compensation in this case. Respondent's Rule 4(c) Report at 1. Specifically, Respondent "has concluded that [P]etitioner's alleged injury is consistent with SIRVA as defined by the Vaccine Injury Table." *Id.* at 9.
