Decision by Stipulation; Damages;
Attorneys’ Fees and Costs;
Influenza (“Flu”) Vaccine;
Transverse Myelitis (“TM”)

LISA KELLEY,

Petitioner,

v.

SECRETARY OF HEALTH AND
HUMAN SERVICES,

Respondent.

Danielle Strait, Maglio Christopher and Toale, Washington, D.C., for Petitioner.

Alexis Babcock, U.S. Dep’t of Justice, Washington, D.C., for Respondent.

DECISION AWARDING DAMAGES AND ATTORNEYS’ FEES AND COSTS¹

On February 12, 2013, Lisa Kelley filed a petition seeking compensation under the National Vaccine Injury Compensation Program.² Petitioner alleges that as a result of receiving the influenza (“flu”) vaccine on October 11, 2011 she suffered from Transverse Myelitis (“TM”) and that she experienced the residual effects of this injury for more than six months.

Respondent denies that Petitioner’s TM was caused-in-fact by her influenza vaccination, and denies that the vaccine caused any other injury or her current condition. Nonetheless both

¹ Because this ruling contains a reasoned explanation for my action in this case, it will be posted on the website of the United States Court of Federal Claims, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, § 205, 116 Stat. 2899, 2913 (codified as amended at 44 U.S.C. § 3501 note (2006)). As provided by 42 U.S.C. § 300aa-12(d)(4)(B), however, the parties may object to the inclusion of certain kinds of confidential information. To do so, Vaccine Rule 18(b) provides that each party has 14 days within which to request redaction “of any information furnished by that party: (1) that is a trade secret or commercial or financial in substance and is privileged or confidential; or (2) that includes medical files or similar files, the disclosure of which would constitute a clearly unwarranted invasion of privacy.” Vaccine Rule 18(b). Otherwise, the ruling will be available to the public. *Id.*

² The National Vaccine Injury Compensation Program comprises Part 2 of the National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755 (codified as amended, 42 U.S.C.A. § 300aa-10 – 34 (2006)) [hereinafter “Vaccine Act” or “the Act”]. Individual sections references hereafter will be to § 300aa of the Act.

parties, while maintaining their above-stated positions, agreed in a stipulation (filed October 30, 2014) that the issues before them can be settled and that a decision should be entered awarding Petitioner compensation.

In the same stipulation, the parties indicated that they had also reached an agreement regarding attorneys' fees and costs. The stipulation laid out the amount of compensation that should be awarded to Petitioner's attorney in a check made payable jointly to Petitioner and Petitioner's counsel. In compliance with General Order #9, it also indicated that no out-of-pocket litigation related costs had been incurred by Petitioner in proceeding on the petition.

I have reviewed the file, and based upon that review, I conclude that the parties' stipulation is reasonable. I therefore adopt it as my decision in awarding damages, and attorneys' fees and costs, on the terms set forth therein.

The stipulation awards:

- A lump sum of \$10,000.00 in the form of a check payable to Petitioner. The amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).
- A lump sum of \$21,500.00 in the form of a check payable jointly to Petitioner and Petitioner's attorney, for attorneys' fees and costs available under 42 U.S.C. § 300aa-15(e).

Stipulation ¶ 8.

I approve a Vaccine Program award in the requested amounts set forth above to be made to Petitioner. In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court is directed to enter judgment herewith.³

IT IS SO ORDERED.

Brian H. Corcoran
Special Master

³ Pursuant to Vaccine Rule 11(a), the parties may expedite entry of judgment by each filing (either jointly or separately) a notice renouncing their right to seek review.

STIPULATION

The parties hereby stipulate to the following matters:

1. On February 12, 2013, Lisa Kelley (“petitioner”) filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10 to 34 (the “Vaccine Program”). The petition seeks compensation for injuries allegedly related to petitioner’s receipt of the influenza vaccine, which vaccine is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3 (a).
2. Petitioner received an influenza immunization on October 11, 2011.
3. The vaccine was administered within the United States.
4. Petitioner alleges that she suffered from Transverse Myelitis (“TM”), which was caused-in-fact by her influenza vaccination. Petitioner further alleges that she experienced residual effects of this injury for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages as a result of her TM.

6. Respondent denies that petitioner's TM was caused-in-fact by her influenza vaccination, and denies that the vaccine caused any other injury or her current condition.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- a. A lump sum of \$10,000.00 in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a); and
- b. A lump sum of \$21,500.00 in the form of a check payable jointly to petitioner and petitioner's attorney, for attorney's fees and costs available under 42 U.S.C. § 300aa-15(e), and in compliance with General Order #9, no out-of-pocket expenses were incurred by petitioner in proceeding on the petition.

9. Petitioner and her attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a pre-paid basis.

10. Payments made pursuant to paragraph 8 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

11. The parties and their attorneys further agree and stipulate that, except for any award for attorney's fees, litigation costs and past unreimbursable expenses, the money provided

pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

12. In return for the payments described in paragraph 8, petitioner, in her individual capacity, and on behalf of her heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the influenza vaccination administered on October 11, 2011 as alleged by petitioner in a petition for vaccine compensation filed on or about February 12, 2013, in the United States Court of Federal Claims as petition No. 13-114V.

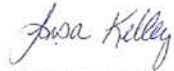

13. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

15. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended. There

Respectfully submitted,

PETITIONER:

LISA KELLEY
