**DECISION ON ATTORNEYS' FEES AND COSTS<sup>1</sup>**

**Gowen**, Special Master:

In this case under the National Vaccine Injury Compensation Program,<sup>2</sup> I issued a Decision on August 22, 2014, adopting the parties' stipulation filed on August 21, 2014. On September 8, 2014, the parties filed a stipulation for attorneys' fees and costs. The stipulation indicates that respondent does not object to the amount of \$39,000.00 that petitioner is requesting. Additionally, pursuant to General Order #9, the stipulation notes that petitioner incurred no personal litigation costs.

I find that this petition was brought in good faith and that there existed a reasonable basis for the claim. Therefore, an award for fees and costs is appropriate, pursuant to 42 U.S.C. §§ 300aa-15(b) and (e)(1). Further, the proposed amount seems

<sup>1</sup> Because this unpublished decision contains a reasoned explanation for the action in this case, I intend to post this decision on the United States Court of Federal Claims' website, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, § 205, 116 Stat. 2899, 2913 (codified as amended at 44 U.S.C. § 3501 note (2006)). In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to delete medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will delete such material from public access.

<sup>2</sup> The applicable statutory provisions defining the program are found at 42 U.S.C. § 300aa-10 *et seq.* (2006).

reasonable and appropriate. **Accordingly, I hereby award the total \$39,000.00<sup>3</sup> in the form of a check payable jointly to petitioner and petitioner's counsel of record, Isaiah Kalinowski, for petitioner's attorneys' fees and costs.**

The clerk of the court shall enter judgment in accordance herewith.<sup>4</sup>

**IT IS SO ORDERED.**

<sup>3</sup> This amount is intended to cover all legal expenses incurred in this matter. This award encompasses all charges by the attorney against a client, "advanced costs" as well as fees for legal services rendered. Furthermore, 42 U.S.C. § 300aa-15(e)(3) prevents an attorney from charging or collecting fees (including costs) that would be in addition to the amount awarded herein. See *generally Beck v. Sec'y, HHS*, 924 F.2d 1029 (Fed. Cir.1991).

<sup>4</sup> Entry of judgment can be expedited by each party's filing of a notice renouncing the right to seek review. See Vaccine Rule 11(a).
