Decision by Stipulation; Damages;
Attorney’s Fees and Costs;
Influenza (“Flu”) Vaccine;
Tetanus-diphtheria-acellular
pertussis (“Tdap”) Vaccine;
Guillain-Barré Syndrome (“GBS”)

Howard Stern, Werner, Zaroff, et al, Lynbrook, NY, for Petitioner.

Linda Renzi, U.S. Dep’t of Justice, Washington, DC, for Respondent.

DECISION AWARDING DAMAGES AND ATTORNEY’S FEES AND COSTS¹

On January 23, 2014, Bruce Barrett filed a petition seeking compensation under the National Vaccine Injury Compensation Program.² Petitioner alleges that as a result of receiving a Tetanus-diphtheria-acellular pertussis (“Tdap”) vaccine and a trivalent influenza (“flu”) vaccine on January 14, 2013 he suffered from Guillain-Barré syndrome (“GBS”) and that he experienced the residual effects of this injury for more than six months.

Respondent denies that either the Tdap vaccine or flu vaccine caused Petitioner’s GBS, or any other injury, and denies that his current disabilities are sequelae of a vaccine-related injury.

¹ Because this decision contains a reasoned explanation for my action in this case, it will be posted on the website of the United States Court of Federal Claims, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, § 205, 116 Stat. 2899, 2913 (codified as amended at 44 U.S.C. § 3501 note (2006)). As provided by 42 U.S.C. § 300aa-12(d)(4)(B), however, the parties may object to the inclusion of certain kinds of confidential information. To do so, Vaccine Rule 18(b) provides that each party has fourteen (14) days within which to request redaction “of any information furnished by that party: (1) that is a trade secret or commercial or financial in substance and is privileged or confidential; or (2) that includes medical files or similar files, the disclosure of which would constitute a clearly unwarranted invasion of privacy.” Vaccine Rule 18(b). Otherwise, the decision will be available to the public. *Id.*

² The National Vaccine Injury Compensation Program comprises Part 2 of the National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755 (codified as amended at 42 U.S.C.A. § 300aa-10 to 34 (2006)) [hereinafter “Vaccine Act” or “the Act”]. Individual sections references hereafter will be to § 300aa of the Act.

Nonetheless both parties, while maintaining their above-stated positions, agreed in a stipulation (filed February 9, 2015) that the issues before them can be settled and that a decision should be entered awarding Petitioner compensation.

In a separate stipulation (filed on March 2, 2015), the parties indicated that they had reached an agreement regarding attorney's fees and costs. The stipulation laid out the amount of compensation that should be awarded to Petitioner's attorney in the form of a check made payable jointly to Petitioner and Petitioner's counsel. In compliance with General Order #9, it also indicated that no out-of-pocket litigation related costs had been incurred by Petitioner in proceeding on the petition.

I have reviewed the file, and based upon that review, I conclude that the parties' stipulations are reasonable. I therefore adopt them as my decision in awarding damages, and attorney's fees and costs, on the terms set forth therein.

The stipulations award:

- A lump sum of \$200,000.00 in the form of a check payable to Petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a). Stipulation (ECF No. 18) ¶ 8.
- A lump sum of \$15,550.00 in the form of a check payable jointly to Petitioner and Petitioner's attorney, Howard Stern, Esq. for attorney's fees and costs available under 42 U.S.C. § 300aa-15(e). Stipulation of Facts Concerning Final Attorney's Fees and Costs (ECF No. 19) ¶¶ 4-6.

I approve a Vaccine Program award in the requested amounts set forth above to be made to Petitioner. In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court is directed to enter judgment herewith.³

IT IS SO ORDERED.

Brian H. Corcoran
Special Master

³ Pursuant to Vaccine Rule 11(a), the parties may expedite entry of judgment by each filing (either jointly or separately) a notice renouncing their right to seek review.

STIPULATION

The parties hereby stipulate to the following matters:

1. Petitioner, Bruce Barrett, filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10 to - 34 (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to petitioner's receipt of a Tetanus-diphtheria-acellular pertussis ("Tdap") vaccine and a trivalent influenza ("flu") which vaccines are contained in the Vaccine Injury Table (the "Table"), 42 C.F.R. § 100.3(a).
2. Petitioner received a Tdap and flu vaccinations on January 14, 2013.
3. The vaccines were administered within the United States.
4. Petitioner alleges that he suffers from Guillain-Barré Syndrome ("GBS") as the result of the administration of the Tdap and flu vaccines, and that he experienced residual effects of this injury for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on his behalf as a result of his condition.
6. Respondent denies that either the Tdap vaccine or flu vaccine caused petitioner's GBS,

or any other injury, and denies that his current disabilities are sequelae of a vaccine-related injury.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payment:

A lump sum of \$200,000.00, in the form of a check payable to petitioner, Bruce Barrett. This amount represents compensation for all remaining damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and his attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

11. The payment made pursuant to paragraph 8 and any amounts awarded pursuant to

paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, and past unreimbursable expenses, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in his individual capacity and on behalf of his heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the Tdap and flu vaccinations administered on January 14, 2013, as alleged by petitioner in a petition for vaccine compensation filed on or about January 23, 2014 in the United States Court of Federal Claims as petition No. 14-51V.

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

15. If the special master fails to issue a decision in complete conformity with the terms of

this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

16. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

17. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that either the Tdap vaccine or flu vaccine caused petitioner's GBS or any other injury or his current disabilities.

18. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.

END OF STIPULATION

BRUCE BARRETT
