DECISION ON JOINT STIPULATION¹

Roth, Special Master:

On June 6, 2014, Kayla Mason (“Ms. Mason,” or “petitioner”) filed a petition for compensation on behalf of her minor child, E.F., under the National Vaccine Injury Compensation Program.² Petitioner alleges that E.F. developed Evan’s Syndrome, thrombocytopenia, Coombs’ positive hemolytic anemia, pancytopenia, and neutropenia that was either “caused-in-fact” or, in the alternative, significantly aggravated as a result of receiving the

L. No. 107-347, § 205, 116 Stat. 2899, 2913 (codified as amended at 44 U.S.C. § 3501 note (2012)). In accordance with Vaccine Rule 18(b), a party has 14 days to identify and move to delete medical or other information, that satisfies the criteria in 42 U.S.C. § 300aa-12(d)(4)(B). Respondent denies that the DTaP, Hib, IPV, PCV, and Hep B, alone or in combination caused E.F.’s alleged injuries. *See* Stipulation at ¶ 6, ECF No. 50.

Nevertheless, the parties have agreed to settle the case. On August 4, 2017, the parties filed a joint stipulation agreeing to settle this case and describing the settlement terms. Respondent agrees to issue the following payment:

- a. An amount sufficient to purchase the annuity contract described in paragraph 10 below, paid to the life insurance company from which the annuity will be purchased (the “Life Insurance Company”). This amount represents compensation for all damages that would be available under § 300aa-15(a), except as set forth in paragraph 8.b; and
- b. A lump sum of **\$87,455.78**, which amount represents reimbursement of a Medicaid lien for services rendered on behalf of E.F., in the form of a check payable jointly to petitioner and

OFFICE OF SPECIAL MASTERS

KAYLA MASON, on behalf of E.F.,

Petitioner,

v.

SECRETARY OF HEALTH AND
HUMAN SERVICES,

Respondent.

No. 14-487V
Special Master Roth
ECF

STIPULATION

The parties hereby stipulate to the following matters:

1. Kayla Mason (“petitioner”) filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the “Vaccine Program”), on behalf of her minor child, E.F. The petition seeks compensation for E.F.’s injuries allegedly related to receipt of the diphtheria-tetanus-acellular pertussis (DTaP), haemophilus influenza type B (Hib), inactivated polio virus (IPV), pneumococcal conjugate (PCV), and hepatitis B (Hep B) vaccines, which vaccines are contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3 (a).
2. E.F. received the DTaP, Hib, IPV, PCV, and Hep B vaccines on May 14, 2012.
3. The vaccines were administered within the United States.
4. Petitioner alleges that E.F. suffered Evans syndrome, thrombocytopenia, Coombs’ positive hemolytic anemia, pancytopenia, and neutropenia that were caused-in-fact by his

vaccinations. Petitioner further alleges that E.F. experienced the residual effects of his injuries for more than six months.

5. Petitioner represents that there has been no prior award or settlement of a civil action for damages as a result of E.F.'s condition.

6. Respondent denies that the DTaP, Hib, IPV, PCV, and Hep B, alone or in combination, caused E.F.'s alleged injuries, any other injury, or his current condition.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- a. An amount sufficient to purchase the annuity contract described in paragraph 10 below, paid to the life insurance company from which the annuity will be purchased (the "Life Insurance Company"). This amount represents compensation for all damages that would be available under 42 U.S.C. §300aa-15(a), except as set forth in paragraph 8.b; and

- b. A lump sum of **\$87,455.78**, which amount represents reimbursement of a Medicaid lien for services rendered on behalf of E.F., in the form of a check payable jointly to petitioner and

Ohio Department of Medicaid

Westerville, OH 43082
Case Number: 985208

Petitioner agrees to endorse this payment to the State.

9. The Life Insurance Company must have a minimum of \$250,000,000 capital and surplus, exclusive of any mandatory security valuation reserve. The Life Insurance Company must have one of the following ratings from two of the following rating organizations:

- a. A.M. Best Company: A++, A+, A+g, A+p, A+r, or A+s;
- b. Moody's Investor Service Claims Paying Rating: Aa3, Aa2, Aa1, or Aaa;
- c. Standard and Poor's Corporation Insurer Claims-Paying Ability Rating: AA-, AA, AA+, or AAA;
- d. Fitch Credit Rating Company, Insurance Company Claims Paying Ability Rating: AA-, AA, AA+, or AAA.

10. The Secretary of Health and Human Services agrees to purchase an annuity contract from the Life Insurance Company for the benefit of E.F., pursuant to which the Life Insurance Company will agree to make a payment to E.F. for all remaining damages that would be available under 42 U.S.C. §300aa-15(a), as follows:

A guaranteed lump sum of \$159,520.00 to be paid on November 11, 2032.

Should E.F. predecease the date of payment referenced above in this paragraph or be declared incompetent by a court with proper jurisdiction, then the payment shall be made to E.F.'s estate.

Written notice to the Secretary of Health and Human Services and the Life Insurance Company shall be provided within twenty (20) days of E.F.'s death.

11. The annuity contract will be owned solely and exclusively by the Secretary of Health and Human Services and will be purchased as soon as practicable following the entry of a judgment in conformity with this Stipulation. The parties stipulate and agree that the Secretary of Health and Human Services and the United States of America are not responsible for the payment of any sums other than the amounts set forth in paragraph 8 herein, and that they do not guarantee or insure any of the future annuity payments. Upon the purchase of the annuity contract, the Secretary of Health and Human Services and the United States of America are released from any and all obligations with respect to future annuity payments.

12. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceedings upon this petition.

13. Petitioner and her attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

14. Payments made pursuant to paragraphs 8 and 12 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

15. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees, litigation costs, and past unreimbursable expenses, the money provided pursuant to this Stipulation, will be used solely for the benefit of E.F., as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

17. In return for the payments described in paragraphs 8 and 12, petitioner, in her individual capacity, and as legal representative of E.F., on behalf of herself, E.F., and his heirs, executors, administrators, successors or assigns, do forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of E.F. resulting from, or alleged to have resulted from vaccinations administered on or about May 14, 2012, as alleged by petitioner in a petition for vaccine compensation filed on or about June 6, 2014, in the United States Court of Federal Claims as petition No. 14-487V.

18. If E.F. should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

19. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

20. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 12 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

21. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the DTaP, Hib, IPV, PCV, and Hep B vaccines, alone or in combination, caused E.F.'s Evans syndrome or any other injury or his current condition.

22. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns, as legal representatives of E.F.

END OF STIPULATION

Respectfully submitted,
