DECISION ON ATTORNEY FEES AND COSTS¹

Vowell, Special Master:

On July 23, 2014, John Poh filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² [the “Vaccine Act” or “Program”]. Petitioner alleged that he suffered Guillain-Barre Syndrome [“GBS”] as the result of an Influenza [“Flu”] vaccination. Petition, ¶¶ 2-12. On May 27, 2015, I issued a decision awarding compensation to petitioner based on the parties’ Stipulation.

On September 10, 2015, the parties filed a Stipulation of Attorneys’ Fees and Costs. According to the stipulation, the parties agree upon an award of \$21,389.63. In accordance with General Order #9, petitioner’s counsel represents that petitioner incurred no out-of-pocket expenses.

¹ Because this unpublished decision contains a reasoned explanation for the action in this case, I intend to post this decision on the United States Court of Federal Claims’ website, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, § 205, 116 Stat. 2899, 2913 (codified as amended at 44 U.S.C. § 3501 note (2006)). In accordance with Vaccine Rule 18(b), petitioners have 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all “§” references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

The Vaccine Act permits an award of reasonable attorneys' fees and costs. 42 U.S.C. § 300 aa-15(e). I find the proposed amount to be reasonable.

Accordingly, I award the total of \$21,389.63³ as a lump sum in the form of a check jointly payable to petitioner and petitioner's counsel, Amber Wilson, Esq.

The clerk of the court shall enter judgment in accordance herewith.⁴

IT IS SO ORDERED.

s/Denise K. Vowell
Denise K. Vowell
Special Master

³ This amount is intended to cover all legal expenses incurred in this matter. This award encompasses all charges by the attorney against a client, "advanced costs" as well as fees for legal services rendered. Furthermore, 42 U.S.C. § 300aa-15(e)(3) prevents an attorney from charging or collecting fees (including costs) that would be in addition to the amount awarded herein. See *generally Beck v. Sec'y, HHS*, 924 F.2d 1029 (Fed. Cir.1991).

⁴ Entry of judgment can be expedited by each party's filing of a notice renouncing the right to seek review. See Vaccine Rule 11(a).
