## **DECISION ON JOINT STIPULATION<sup>1</sup>**

**Dorsey**, Chief Special Master:

On August 4, 2014, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,<sup>2</sup> (the “Vaccine Act”). Petitioner alleged that her minor child, A.O. suffered left upper extremity pain, weakness, paresthesias, and brachial neuritis as a result of the meningitis or varicella vaccinations she received on July 15, 2011 or diphtheria, tetanus, acellular pertussis vaccinations she received on August 8, 2011. Petition at 1; *see also* Stipulation, filed Dec. 9, 2016, at ¶¶ 1-2, 4. Petitioner further alleged that A.O. suffered the effects of her injury for more than six months and neither petitioner, nor A.O., nor anyone on A.O.’s behalf, has filed a civil suit or received compensation for her injury, alleged as vaccine caused. Petition at ¶¶ 7-8; *see also* Stipulation at ¶¶ 4-5. “Respondent denies that the

meningococcal conjugate, varicella, and DTaP vaccines caused A.O.'s brachial neuritis, or any other injury or her current condition." Stipulation at ¶ 6.

Nevertheless, on December 9, 2016, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. The undersigned finds the stipulation reasonable and adopts it as the decision of the Court in awarding damages, on the terms set forth therein.

The parties stipulate that petitioner shall receive the following compensation:

**A lump sum of \$125,000.00 in the form of a check payable jointly to petitioner and A.O. on or after January 28, 2017.**<sup>3</sup> Stipulation at ¶ 8. This amount represents compensation for all items of damages that would be available under § 15(a). *Id.*

The undersigned approves the requested amount for petitioner's compensation. In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court is directed to enter judgment in accordance with this decision.<sup>4</sup>

**STIPULATION**

The parties hereby stipulate to the following matters:

1. On behalf of her daughter, A.O., petitioner filed a petition for vaccine compensation under the *National Vaccine Injury Compensation Program*, 42 U.S.C. § 300aa-10 to 34 (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to A.O.'s receipt of the meningococcal conjugate, varicella, and diphtheria-tetanus-acellular pertussis ("DTaP") vaccines, which vaccines are contained in the Vaccine Injury Table (the "Table"), 42 C.F.R. § 100.3(a).
2. A.O. received meningococcal conjugate and varicella vaccine on July 15, 2011. A.O. received a DTaP vaccine on August 8, 2011.
3. The vaccines were administered within the United States.
4. Petitioner alleges that A.O. suffered brachial neuritis as a result of the meningococcal conjugate, varicella, and DTaP vaccines and that she suffered the residual effects of this injury for more than six months.

5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on behalf of A.O. as a result of her condition.

6. Respondent denies that the meningococcal conjugate, varicella, and DTaP vaccines caused A.O.'s brachial neuritis, or any other injury or her current condition.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payment:

A lump sum of \$125,000.00 in the form of a check payable jointly to petitioner and A.O. on or after January 28, 2017.<sup>1</sup> This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and her attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies,

Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a pre-paid basis.

11. Payment made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, the money provided pursuant to this Stipulation will be used solely for the benefit of A.O. as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in her individual capacity and as legal representative of A.O., and on behalf of herself, A.O., and A.O.'s heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of A.O. resulting from, or alleged to have resulted from, the meningococcal conjugate, varicella, and DTaP vaccines administered on July 15, 2011, and August 8, 2011, as alleged by petitioner in a petition for vaccine compensation filed on or about August 4, 2014, in the United States Court of Federal Claims as petition No. 14-698V.

14. If A.O. should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

15. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

16. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

17. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the meningococcal conjugate, varicella, and DTaP vaccines caused A.O.'s brachial neuritis, or any other injury or her current condition.

18. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns as legal representatives of A.O.

END OF STIPULATION
