### RULING ON ENTITLEMENT<sup>1</sup>

**Dorsey**, Chief Special Master:

On August 10, 2015, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,<sup>2</sup> [the “Vaccine Act”]. Petitioner alleges that as a result of a trivalent influenza (“flu”) vaccine she received on October 15, 2014, petitioner developed a shoulder injury related to vaccination (SIRVA). Petition at 1. This case was assigned to the Special Processing Unit (SPU) of the Office of Special Masters.

On November 18, 2015, respondent filed the Rule 4(c) report in conceding that petitioner is entitled to compensation in this case. Respondent’s Rule 4(c) Report at 1. Specifically, respondent states that “petitioner’s SIRVA was more likely than not caused by the October 15, 2014, flu vaccination,” and that “petitioner has satisfied all legal prerequisites for compensation under the Act.” *Id.* at 5.
