Filed: August 22, 2016

Attorneys' fees and costs; award
in the amount to which respondent
has not objected

Edward M. Kraus, Law Offices of Chicago Kent, Chicago, IL, for Petitioner;
Michael P. Milmo, U.S. Department of Justice, Washington, DC, for Respondent.

UNPUBLISHED DECISION ON ATTORNEYS' FEES AND COSTS¹

On October 2, 2015, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*, (the "Vaccine Act"). Petitioner alleged that she suffered a shoulder injury related to vaccine administration ("SIRVA"). On June 7, 2016, the undersigned issued a decision awarding compensation to petitioner based on respondent's proffer.

Because petitioner received compensation, petitioner is entitled to an award of attorneys' fees and costs. 42 U.S.C. § 300aa-15(e).

¹ Because this unpublished decision contains a reasoned explanation for the action in this case, the undersigned intends to post it on the United States Court of Federal Claims' website, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access.

On August 5, 2016, petitioner filed a motion for attorneys' fees and costs; respondent did not object to the motion. Petitioner requests attorneys' fees in the amount of \$9,626.90 and attorneys' costs in the amount of \$484.58 for a total amount of \$10,111.48. In accordance with General Order #9, petitioner's counsel represents that petitioner incurred no out-of-pocket expenses.

The Vaccine Act permits an award of reasonable attorneys' fees and costs. § 15(e). Based on the reasonableness of petitioner's request and the lack of opposition from respondent, the undersigned **GRANTS** petitioner's motion for attorneys' fees and costs.

Accordingly, the undersigned awards the total of \$10,111.48. Of this amount \$ 10,111.48 shall be payable as a lump sum in the form of a check jointly payable to petitioner and petitioner's counsel Edward M. Kraus.²

The clerk of the court shall enter judgment in accordance herewith.³

IT IS SO ORDERED.

Sec'y of Health & Human Servs., 924 F.2d 1029 (Fed. Cir.1991).

³ Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by the parties' joint filing of notice renouncing the right to seek review.
