DECISION

On November 16, 2015, Petitioner filed a Petition for Vaccine Compensation in the National Vaccine Injury Compensation Program ("the Program"),[1] alleging that various vaccinations injured C.A.C. The information in the record, however, does not show entitlement to an award under the Program.

On April 20, 2016, Petitioner moved for a decision dismissing her petition.

Accordingly, **this case is dismissed. The Clerk shall enter judgment accordingly.**

IT IS SO ORDERED.
