DECISION ON JOINT STIPULATION¹

Dorsey, Chief Special Master:

On May 26, 2016, Cheryl Zanghi (“petitioner”), filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the “Vaccine Act”). Petitioner alleged that she suffered injuries, including a severe shoulder injury, as a result of receiving the influenza (“flu”) vaccine on December 2, 2014. The case was assigned to the Special Processing Unit (“SPU”) of the Office of Special Masters.

On September 13, 2016, the undersigned issued a ruling on entitlement, finding petitioner entitled to compensation for a shoulder injury related to vaccine administration (“SIRVA”). On May 30, 2017, the parties filed the attached joint stipulation on damages, stating that a decision should be entered awarding petitioner compensation in the amount of \$151,550.25. Stip. at ¶ 9. The undersigned finds the stipulation reasonable

In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access.

and adopts it as the decision of the Court in awarding damages, on the terms set forth therein.

Pursuant to the terms stated in the attached Stipulation, **the undersigned awards** the following compensation:

A lump sum of \$151,550.25 in the form of a check payable to petitioner, Cheryl Zanghi. Stip. at ¶ 9. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a). *Id.*

The undersigned approves the requested amount for petitioner's compensation. In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court is directed to enter judgment in accordance with this decision.³

STIPULATION

The parties hereby stipulate to the following matters:

1. Cheryl Zanghi ("petitioner") filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to petitioner's receipt of an influenza ("flu") vaccine, which vaccine is contained in the Vaccine Injury Table (the "Table"), 42 C.F.R. § 100.3(a).
2. Petitioner received a flu vaccine on or about December 2, 2014.
3. The vaccine was administered within the United States.
4. Petitioner suffered a shoulder injury related to vaccine administration (SIRVA).
5. Petitioner experienced the residual effects of her injury for more than six months.
6. There is not a preponderance of evidence demonstrating that petitioner's condition is due to a factor unrelated to vaccination.
7. Petitioner represents that there has been no prior award or settlement of a civil action for damages as a result of her condition.

8. Accordingly, petitioner is entitled to compensation under the terms of the Vaccine Act for her SIRVA. Therefore, a decision should be entered awarding the compensation described in Paragraph 9 of this stipulation.

9. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payment:

A lump sum of **\$151,550.25** in the form of a check payable to petitioner. This amount represents all compensation for damages that would be available under 42 U.S.C. § 300aa-15(a) for injuries allegedly related to petitioner's receipt of the influenza vaccine.

10. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

11. Petitioner and her attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a pre-paid basis.

12. Payment made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

13. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, and past unreimbursable expenses, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

14. In return for the payments described in paragraphs 8 and 9, petitioner, in her individual capacity and on behalf of her heirs, executors, administrators, successors and/or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the flu vaccination administered on or about December 2, 2014, as alleged by petitioner in a petition for vaccine compensation filed on or about May 26, 2016, in the United States Court of Federal Claims as petition No. 16-625V.

15. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

16. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

Respectfully submitted,
