RESPONDENT’S PROFFER ON AWARD OF COMPENSATION

I. Compensation for Vaccine Injury-Related Items

On June 21, 2017, the Chief Special Master issued a Ruling on Entitlement determining that petitioner was entitled to vaccine compensation for his Guillain-Barre Syndrome (“GBS”). Respondent proffers that, based on the evidence of record, petitioner should be awarded \$150,000.00. This amount represents all elements of compensation to which petitioner would be entitled under 42 U.S.C. § 300aa-15(a). Petitioner agrees.

II. Form of the Award

Respondent recommends that the compensation provided to petitioner should be made through a lump sum payment as described below, and requests that the Chief Special Master’s decision and the Court’s judgment award the following:¹

A lump sum payment of \$150,000.00 in the form of a check payable to petitioner, Thomas Winiesdorffer. This amount accounts for all elements of compensation under 42 U.S.C. § 300aa-15(a) to which petitioner would be entitled.

¹ Should petitioner die prior to entry of judgment, respondent reserves the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future medical expenses, future pain and suffering, and future lost wages.

Petitioner is a competent adult. Evidence of guardianship is not required in this case.
