DECISION ON JOINT STIPULATION¹

Dorsey, Chief Special Master:

On August 11, 2016, Rhonda Larson (“petitioner”) filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the “Vaccine Act”). Petitioner alleged that she suffered left shoulder injuries caused by the influenza (“flu”) vaccination she received on September 21, 2015. Petition at 1; see *also* Stipulation, filed June 26, 2017, at ¶¶ 1-2, 4. Petitioner further alleged that she received the flu vaccine in the United States, that she suffered the effects of her injuries for more than six months, and that neither she nor any other party has filed a civil action or received compensation for her injuries. Petition at ¶¶ 2, 12-14; see *also* Stipulation at ¶¶ 3-5. Respondent denies that the flu vaccine caused petitioner’s alleged left shoulder pain, or any other injury, and further denies that her current disabilities are a sequela of a vaccine-related injury. Stipulation at ¶ 6.

¹ Because this unpublished decision contains a reasoned explanation for the action in this case, the undersigned intends to post it on the United States Court of Federal Claims' website, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all “§” references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

Nevertheless, on June 26, 2017, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. The undersigned finds the stipulation reasonable and adopts it as the decision of the Court in awarding damages, on the terms set forth therein.

Pursuant to the terms stated in the attached Stipulation, **the undersigned awards** the following compensation:

A lump sum of \$70,000.00 in the form of a check payable to petitioner, Rhonda Larson. Stipulation at ¶ 8. This amount represents compensation for all items of damages that would be available under § 15(a). *Id.*

The undersigned approves the requested amount for petitioner's compensation. In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court is directed to enter judgment in accordance with this decision.³

IT IS SO ORDERED.

³ Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by the parties' joint filing of notice renouncing the right to seek review.

STIPULATION

The parties hereby stipulate to the following matters:

1. Petitioner filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to petitioner's receipt of trivalent influenza ("flu") vaccine, which vaccine is contained in the Vaccine Injury Table (the "Table"), 42 C.F.R. §100.3(a).
2. Petitioner received the flu vaccine on or about September 21, 2015.
3. The vaccine was administered within the United States.
4. Petitioner alleges that she suffered pain in her left shoulder as a consequence of the flu immunization she received on or about September 21, 2015, and further alleges that she suffered the residual effects of this injury for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on her behalf as a result of her condition.

6. Respondent denies that the flu vaccine caused petitioner's alleged left shoulder pain, or any other injury, and further denies that her current disabilities are a sequela of a vaccine-related injury.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payment:

A lump sum of \$70,000.00, which amount represents compensation for all elements of damages available to petitioner under 42 U.S.C. § 300aa-15(a), in the form of a check payable to petitioner.

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and her attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a prepaid basis.

11. Payment made pursuant to paragraph 8 of this Stipulation and any amounts awarded pursuant to paragraph 9 will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorney's fees and litigation costs, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in her individual capacity, and on behalf of her heirs, executors, administrators, successors, and assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the United States Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the flu vaccination administered on or about September 21, 2015, as alleged by petitioner in a petition for vaccine compensation filed on or about August 11, 2016, in the United States Court of Federal Claims as petition No. 16-986V.

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

15. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the United States Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

16. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

17. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the flu vaccine caused petitioner's alleged left shoulder pain, or any other injury or any of her current disabilities.

18. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.

END OF STIPULATION
