PROFFER ON AWARD OF COMPENSATION

On December 27, 2016, the Chief Special Master issued a Ruling on Entitlement finding that petitioner was entitled to vaccine compensation for her Shoulder Injury Related to Vaccine Administration (“SIRVA”).

I. Items of Compensation

Based upon the evidence of record, respondent proffers that petitioner should be awarded \$115,000.00 for pain and suffering, and \$2,296.24 in past unreimbursable expenses, which represents all elements of compensation to which petitioner would be entitled under 42 U.S.C. § 300aa-15(a).¹ Petitioner agrees.

II. Form of the Award

Respondent recommends that the compensation provided to petitioner should be made through a lump sum payment of \$117,296.24, in the form of a check payable to petitioner.

Petitioner agrees.

¹ Should petitioner die prior to the entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future medical expenses, future lost earnings, and future pain and suffering.
