

Under the Act, the petitioner may not be given a Program award based solely on the petitioner's claims alone. Rather, the petition must be supported by either medical records or by the opinion of a competent physician. § 300aa-13(a)(1). In this case, because there are insufficient medical records supporting Petitioner's claim, a medical opinion must be offered in support. Petitioner, however, has offered no such opinion.

Accordingly, it is clear from the record in this case that Petitioner has failed to demonstrate either that Petitioner suffered a "Table Injury" or that Petitioner's injury was "actually caused" by a vaccination. **Thus, this case is dismissed for insufficient proof. The Clerk shall enter judgment accordingly.**

IT IS SO ORDERED.
