DECISION ON ATTORNEYS' FEES AND COSTS¹

Dorsey, Chief Special Master:

On June 26, 2017, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the "Vaccine Act"). Petitioner alleges that that she suffered a right shoulder injury related to vaccine administration ("SIRVA"), which was caused by administration of the tetanus, diphtheria, acellular-pertussis ("Tdap") vaccine she received on May 21, 2016. Petition at 1. On September 6, 2018, the undersigned issued a decision awarding compensation to petitioner based on the parties' stipulation. ECF No. 28.

¹ The undersigned intends to post this decision on the United States Court of Federal Claims' website. **This means the decision will be available to anyone with access to the Internet.** In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access. Because this unpublished decision contains a reasoned explanation for the action in this case, the undersigned is required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services).

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all "§" references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

On May 13, 2019, petitioner filed a motion for attorneys' fees and costs. ECF No. 33. Petitioner requests attorneys' fees in the amount of \$27,451.00 and attorneys' costs in the amount of \$1,627.07. *Id.* at 1. In compliance with General Order #9, petitioner filed a signed statement indicating that petitioner incurred no out-of-pocket expenses. *Id.* at 2. Thus, the total amount requested is \$29,078.07.

On May 20, 2019, respondent filed a response to petitioner's motion. ECF No. 34. Respondent argues that "[n]either the Vaccine Act nor Vaccine Rule 13 contemplates any role for respondent in the resolution of a request by a petitioner for an award of attorneys' fees and costs." *Id.* at 1. Respondent adds, however, that he "is satisfied the statutory requirements for an award of attorneys' fees and costs are met in this case." *Id.* at 2. Respondent "respectfully recommends that the Chief Special Master exercise her discretion and determine a reasonable award for attorneys' fees and costs." *Id.* at 3.

On May 21, 2019, petitioner filed a reply. ECF No. 35. Petitioner requests that the undersigned award the amount of attorneys' fees and costs sought.

The undersigned has reviewed the billing records submitted with petitioner's request. In the undersigned's experience, the request appears reasonable, and the undersigned finds no cause to reduce the requested hours or rates.

The Vaccine Act permits an award of reasonable attorneys' fees and costs. § 15(e). Based on the reasonableness of petitioner's request, the undersigned **GRANTS** petitioner's motion for attorneys' fees and costs.

Accordingly, the undersigned awards the total of \$29,078.07³ as a lump sum in the form of a check jointly payable to petitioner and petitioner's counsel Leah VaSahnja Durant.

The clerk of the court shall enter judgment in accordance herewith.⁴

IT IS SO ORDERED.
