OFFICE OF SPECIAL MASTERS

No. 17-1589V

Filed: December 4, 2018

UNPUBLISHED

MELINDA PORTER,

Petitioner,

v.

SECRETARY OF HEALTH AND
HUMAN SERVICES,

Respondent.

Special Processing Unit (SPU);
Attorneys' Fees and Costs

*Diana Lynn Stadelnikas, Maglio Christopher & Toale, PA, Sarasota, FL, for petitioner.
Darryl R. Wishard, U.S. Department of Justice, Washington, DC, for respondent.*

DECISION ON ATTORNEYS' FEES AND COSTS¹

Dorsey, Chief Special Master:

On October 23, 2017, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the "Vaccine Act"). Petitioner alleges that she received a Haemophilus influenza type b ("Hib") vaccine in her left arm and a Meningococcal conjugate ("Menactra") and Pneumococcal conjugate 13 ("Prevnar") vaccine in her right arm on October 13, 2015, and that as a result suffered scarring from ulcerations to the epidermis, pyoderma gangrenosum, and dermatitis of the right arm. Petition at 1. On September 26, 2018,

¹ The undersigned intends to post this decision on the United States Court of Federal Claims' website. **This means the decision will be available to anyone with access to the Internet.** In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access. Because this unpublished decision contains a reasoned explanation for the action in this case, undersigned is required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services).

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all "§" references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

the undersigned issued a decision awarding compensation to petitioner based on the parties' stipulation. ECF No. 32.

On November 20, 2018, petitioner filed a motion for attorneys' fees and costs. ECF No. 37. Petitioner requests attorneys' fees in the amount of \$23,797.20 and attorneys' costs in the amount of \$547.35. *Id.* at 1-2. In compliance with General Order #9, petitioner filed a signed statement indicating that petitioner incurred no out-of-pocket expenses. *Id.* at 2. Thus, the total amount requested is \$24,344.55

On November 26, 2018, respondent filed a response to petitioner's motion. ECF No. 38. Respondent argues that "[n]either the Vaccine Act nor Vaccine Rule 13 contemplates any role for respondent in the resolution of a request by a petitioner for an award of attorneys' fees and costs." *Id.* at 1. Respondent adds, however, that he "is satisfied the statutory requirements for an award of attorneys' fees and costs are met in this case." *Id.* at 2. Respondent "respectfully recommends that the Chief Special Master exercise her discretion and determine a reasonable award for attorneys' fees and costs." *Id.* at 3.

On November 26, 2018, petitioner filed a reply. ECF No. 38. Petitioner disputes respondent's position that he has no role in resolving attorneys' fees and costs and further reiterates her view that her attorneys' fees and costs in this case are reasonable.

The undersigned has reviewed the billing records submitted with petitioner's request and finds a reduction in the amount of fees to be awarded appropriate for the reasons listed below.

I. Legal Standard

The Vaccine Act permits an award of reasonable attorneys' fees and costs. § 15(e). Counsel must submit fee requests that include contemporaneous and specific billing records indicating the service performed, the number of hours expended on the service, and the name of the person performing the service. *See Savin v. Sec'y of Health & Human Servs.*, 85 Fed. Cl. 313, 316-18 (2008). Counsel should not include in their fee requests hours that are "excessive, redundant, or otherwise unnecessary." *Saxton v. Sec'y of Health & Human Servs.*, 3 F.3d 1517, 1521 (Fed. Cir. 1993) (quoting *Hensley v. Eckerhart*, 461 U.S. 424, 434 (1983)). It is "well within the special master's discretion to reduce the hours to a number that, in [her] experience and judgment, [is] reasonable for the work done." *Id.* at 1522. Furthermore, the special master may reduce a fee request *sua sponte*, apart from objections raised by respondent and without providing a petitioner notice and opportunity to respond. *See Sabella v. Sec'y of Health & Human Servs.*, 86 Fed. Cl. 201, 209 (2009). A special master need not engaged in a line-by-line analysis of petitioner's fee application when reducing fees. *Broekelschen v. Sec'y of Health & Human Servs.*, 102 Fed. Cl. 719, 729 (2011).

The petitioner “bears the burden of establishing the hours expended, the rates charged, and the expenses incurred.” *Wasson v. Sec’y of Health & Human Servs.*, 24 Cl. Ct. at 482, 484 (1991). She “should present adequate proof [of the attorneys’ fees and costs sought] at the time of the submission.” *Id.* at 484 n.1. Petitioner’s counsel “should make a good faith effort to exclude from a fee request hours that are excessive, redundant, or otherwise unnecessary, just as a lawyer in private practice ethically is obligated to exclude such hours from his fee submission.” *Hensley*, 461 U.S., at 434.

II. Discussion

A. Administrative Time

Upon review of the billing records submitted, it appears that a number of entries are for tasks considered clerical or administrative. In the Vaccine Program, secretarial work “should be considered as normal overhead office costs included within the attorneys’ fee rates.” *Rochester v. U.S.*, 18 Cl. Ct. 379, 387 (1989); *Dingle v. Sec’y of Health & Human Servs.*, No. 08-579V, 2014 WL 630473, at *4 (Fed. Cl. Spec. Mstr. Jan. 24, 2014). “[B]illing for clerical and other secretarial work is not permitted in the Vaccine Program.” *Mostovoy*, 2016 WL 720969, at *5 (citing *Rochester*, 18 Cl. Ct. at 387). A total of 1.7 hours was billed by paralegals on tasks considered administrative³ including, receiving documents, reviewing and organizing the client file and documents. Therefore the undersigned reduces the request for attorneys’ fees by **\$233.10**⁴, the total amount of the entries considered administrative.

III. Attorney Costs

Petitioner requests reimbursement for costs incurred from Maglio Christopher & Toale in the amount of \$547.35. ECF No. 37 at 2. After reviewing petitioner’s invoices, the undersigned finds no cause to reduce petitioner’s request and awards the full amount of attorney costs sought.

³ Examples of these entries include: September 7, 2016 (0.20 hrs) “Receipt, review and organize medical records from Physicians Dermatology. Update file accordingly”, February 7, 2018 (0.10 hrs) “Process payment to Graham Family Medicine PLLC for records and update file accordingly”, February 8, 2018 (0.10 hrs) “Receipt, review and organize medical records from OU physicians Dermatology. Update case notes accordingly” and August 10, 2018 (0.10 hrs) “Review and finalize status report.” ECF No. 37-1 at 4, 7, 11. These entries are mealy examples and not an exhaustive list.

⁴ This amount consists of (0.40 hrs x \$105 hr = \$42.00) + (1.20 hrs x \$148 hr = \$177.60) + (0.10 hrs x \$135 hr = \$13.50) = \$233.10.

IV. Conclusion

Based on the reasonableness of petitioner's request, the undersigned **GRANTS** petitioner's motion for attorneys' fees and costs.

Accordingly, the undersigned awards the total of \$24,111.45⁵ as a lump sum in the form of a check jointly payable to petitioner and petitioner's counsel Diana Lynn Stadelnikas. Petitioner requests check be forwarded to Maglio Christopher & Toale, PA, 1605 Main Street, Suite 710, Sarasota, Florida 34236.

The clerk of the court shall enter judgment in accordance herewith.⁶

IT IS SO ORDERED.

s/Nora Beth Dorsey

Nora Beth Dorsey
Chief Special Master

⁵ This amount is intended to cover all legal expenses incurred in this matter. This award encompasses all charges by the attorney against a client, "advanced costs" as well as fees for legal services rendered. Furthermore, § 15(e)(3) prevents an attorney from charging or collecting fees (including costs) that would be in addition to the amount awarded herein. See *generally Beck v. Sec'y of Health & Human Servs.*, 924 F.2d 1029 (Fed. Cir.1991).

⁶ Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by the parties' joint filing of notice renouncing the right to seek review.
