## DECISION ON JOINT STIPULATION<sup>1</sup>

On November 13, 2017, Jackie Ratliff filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,<sup>2</sup> (the “Vaccine Act”). Petitioner alleges that she suffered right arm injuries which were caused-in-fact by the influenza vaccine she received on November 20, 2014. Petition at 1, ¶¶ 2, 17; Stipulation, filed May 26, 2020, at ¶¶ 1-2, 4. Petitioner further alleges that she received the vaccination in the United States, that she suffered the residual effects of her injuries for more than six months, and that neither she nor any other party has filed a civil action or received compensation for her injuries, alleged as vaccine caused. Petition at ¶¶ 17-19; Stipulation at ¶¶ 3-5. “Respondent denies that petitioner sustained a SIRVA Table injury, denies that the vaccine caused petitioner’s alleged shoulder injuries, or any other injury; and denies that her current condition is a sequelae of a vaccine-related injury.” Stipulation at ¶ 6.

Nevertheless, on May 26, 2020, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. I find the stipulation reasonable and adopt it as my decision awarding damages, on the terms set forth therein.

Pursuant to the terms stated in the attached Stipulation, I award **\$80,796.24** as follows:

**1. A lump sum payment of \$80,750.00 in the form of a check payable to Petitioner; and**

**2. A lump sum payment of \$46.24, representing compensation for full satisfaction of the Medicaid payments made on behalf of Petitioner by the state of Illinois in the form of a check payable jointly to Petitioner and**

STIPULATION

The parties hereby stipulate to the following matters:

1. Jackie Ratliff, petitioner, filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10 *et seq.* (the “Vaccine Program”). The petition seeks compensation for injuries related to petitioner’s receipt of the influenza (“flu”) vaccine, which vaccine is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3(a).
2. Petitioner received the flu vaccination on November 20, 2014.
3. The vaccine was administered within the United States.
4. Petitioner alleges that she sustained a Shoulder Injury Related to Vaccine Administration (“SIRVA”) within the time period set forth in the Table, or in the alternative, that her shoulder injury was caused by the vaccine. She further alleges that she experienced the residual effects of this condition for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on her behalf as a result of her condition.

6. Respondent denies that petitioner sustained a SIRVA Table injury; denies that the vaccine caused petitioner's alleged shoulder injuries, or any other injury; and denies that her current condition is a sequelae of a vaccine-related injury.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- a. A lump sum of \$46.24 representing reimbursement of the state of Illinois Medicaid lien, in the form of a check payable jointly to petitioner and

Equian, LLC  
Member: Jackie Ratliff  
File No.: 40022395  
P.O. Box 32100  
Louisville, Kentucky 40232.

This lump sum represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the state of Illinois may have against any individual as a result of any Medicaid payments the state of Illinois has made to or on behalf of petitioner from the date of her eligibility for benefits through the date of judgment in this case as a result of her alleged vaccine-related injury suffered on or about November 20, 2014, under Title XIX of the Social Security Act.

Petitioner agrees to endorse this check to the state of Illinois.

- b. A lump sum of \$80,750.00, which amount represents compensation for all remaining damages that would be available under 42 U.S.C. § 300aa-15(a), in the form of a check payable to petitioner.

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and her attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

11. Payment made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, and past unreimbursed expenses, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in her individual capacity, and on behalf of her heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements,

judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the flu vaccination administered on or around November 20, 2014, as alleged by petitioner in a petition for vaccine compensation filed on or about November 13, 2017, in the United States Court of Federal Claims as petition No. 17-1777V.

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

15. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

16. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

17. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the flu vaccine caused petitioner's alleged right shoulder injury, or any other injury or condition.

18. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.
