On January 25, 2018, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the “Vaccine Act”). Petitioner alleges that he suffered a mumps infection, juvenile idiopathic arthritis (“JIA”), amplified musculoskeletal pain syndrome (“AMPS”), chronic fatigue syndrome (“CFS”), and depression as a result of his February 6, 2015 mumps, measles, rubella (“MMR”) vaccination. Petition at 1; Stipulation, filed June 3, 2024, at ¶¶ 2, 4. Petitioner further alleges that he has experienced the residual effects of his condition for more than six months, that there has been no prior award or settlement of a civil action for damages as a result of his condition, and that his vaccine was administered in the United States. Petition at 1, 4-5 7; Stipulation at ¶¶ 3-5. “Respondent denies that the MMR vaccine caused petitioner to suffer from a mumps infection, JIA, AMPS, CFS, depression or any other injury or his current condition.” Stipulation at ¶ 6.

STIPULATION

The parties hereby stipulate to the following matters:

1. Petitioner filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to petitioner's receipt of a measles, mumps, rubella ("MMR") vaccine, which vaccine is contained in the Vaccine Injury Table (the "Table"), 42 C.F.R. § 100.3 (a).
2. Petitioner received his MMR vaccine February 6, 2015.
3. This vaccine was administered within the United States.
4. Petitioner alleges that he sustained a mumps infection, juvenile idiopathic arthritis ("JIA"), amplified musculoskeletal pain syndrome ("AMPS"), chronic fatigue syndrome ("CFS"), and depression as a result of receiving the MMR vaccine. He further alleges that he has experienced residual effects of his alleged injuries for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on his behalf as a result of his condition.

6. Respondent denies that the MMR vaccine caused petitioner to suffer from a mumps infection, JIA, AMPS, CFS, depression or any other injury or his current condition.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human

Services will issue the following vaccine compensation payments:

- A. A lump sum of **\$90,000.00** in the form of a check payable to petitioner; and
- B. A lump sum of **\$9,500.00**,¹ representing reimbursement of a Medicaid lien for services rendered to petitioner by the State of Idaho, in the form of a check payable jointly to petitioner and the HMS Idaho Recovery Unit:

HMS Idaho Recovery Unit
P.O. Box 84551
Seattle, WA 84551
Case # 120073

Petitioner agrees to endorse this check to the HMS Idaho Recovery Unit.

These amounts represent compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to

¹ This amount represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the State of Idaho may have against any individual as a result of any Medicaid payments the Idaho Program has made to or on behalf of Wyatt Bell as a result of his alleged vaccine-related injuries suffered on or about February 6, 2015, under Title XIX of the Social Security Act, see 42 U.S.C. § 300aa-15(g), (h).

42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and his attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

11. Payments made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees, and litigation costs, and past unreimbursable expenses, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in his individual capacity and on behalf of his heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely

brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, MMR vaccination administered on February 6, 2015, as alleged by petitioner in a petition for vaccine compensation filed on or about January 25, 2018, in the United States Court of Federal Claims as petition No. 18-125V.

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

15. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

16. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

17. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the MMR vaccine caused petitioner's alleged

mump infection, JIA, AMPS, CFS, or depression; any other injury; or that his current condition is a sequelae of a vaccine-related injury.

18. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.

END OF STIPULATION

Respectfully submitted.
