DECISION AWARDING ATTORNEYS' FEES AND COSTS¹

On March 20, 2018, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10, *et seq.*² ("Vaccine Act"). (ECF No. 1.) Petitioner alleged that he suffered autoimmune dysautonomia, postural orthostatic tachycardia syndrome ("POTS") and small fiber neuropathy as a result of his March 25, 2015 influenza ("flu") vaccination. (*Id.*) On August 22, 2024, the undersigned issued a decision dismissing the petition. (ECF No. 109.) On March 25, 2025, petitioner filed a motion seeking an award of attorneys' fees and costs. (ECF No. 113.) Petitioner seeks \$119,939.74, including \$108,759.56 for attorneys' fees and \$11,180.19 for attorneys' costs. (*Id.* at 32.)

² Within this decision, all citations to § 300aa will be to the relevant sections of the Vaccine Act at 42 U.S.C. § 300aa-10, *et seq.*

Respondent filed his response on April 4, 2025. (ECF No. 114.) Respondent defers to the court as to whether the statutory requirements for an award of attorneys' fees and costs have been met. (*Id.* at 2.) Noting the special master's discretion regarding attorneys' fees and costs and cautioning that determination of fees "should not result in a second major litigation," "[r]espondent therefore respectfully requests that the Court exercise its discretion and determine a reasonable award for attorneys' fees and costs." (*Id.* at 4 (quoting *Fox v. Vice*, 563 U.S. 826, 838 (2011)).)

The undersigned has reviewed the billing records submitted with petitioner's request. (ECF Nos. 113-2, 113-7.) In the undersigned's experience, the request appears reasonable overall, and the undersigned finds no cause to reduce the requested hours or rates. Additionally, pursuant to Vaccine Rule 13(a)(3), "[t]he failure of respondent to identify with particularity any objection to a request for attorney's fees and costs may be taken into consideration by the special master in the decision." The costs also appear to be reasonable and sufficiently documented. (ECF Nos. 113-3, 113-4, 113-5, 113-6.)

The Vaccine Act permits an award of reasonable attorneys' fees and costs. § 300aa-15(e). Based on the reasonableness of petitioner's request, the undersigned **GRANTS** petitioner's motion for attorneys' fees and costs.

Accordingly, the undersigned awards a lump sum of \$119,939.74, representing reimbursement of attorneys' fees and costs, to be paid through an ACH deposit to petitioner's counsel of record, Robert Joel Krakow's IOLTA account for prompt disbursement.

The clerk of the court shall enter judgment in accordance herewith.³

IT IS SO ORDERED.
