DECISION BASED ON STIPULATION¹

On May 23, 2018, Silvia Hernandez (“petitioner”) filed a petition in the National Vaccine Injury Compensation Program.² Petitioner alleged that as a result of a tetanus-diphtheria-acellular pertussis (“Tdap”) vaccine on December 27, 2016, she developed Guillain Barré syndrome (“GBS”). Petition at 1 (ECF No. 1).

On January 25, 2022, the parties filed a stipulation recommending an award of compensation to petitioner. Stipulation (ECF No. 62). Respondent denies that petitioner’s GBS, or any other injury, was caused-in-fact by a Tdap vaccination. *Id.* at ¶ 6. Nevertheless, the

If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access.

² The National Vaccine Injury Compensation Program is set forth in Part 2 of the National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755, codified as amended, 42 U.S.C. §§ 300aa-1 to -34 (2012) (“Vaccine Act” or “the Act”). All citations in this Decision to individual sections of the Vaccine Act are to 42 U.S.C. § 300aa.

parties agree to the joint stipulation, attached hereto as Appendix A. The undersigned finds the stipulation reasonable and adopts it as the decision of the Court in awarding damages, on the terms set forth therein.

The parties stipulate that petitioner shall receive the following compensation:

- (1) A lump sum of \$153,102.00 in the form of a check payable to petitioner; and**
- (2) A lump sum of \$7,592.00 representing reimbursement of a Medicaid lien for services rendered to petitioner by the State of California, in the form of a check payable jointly to petitioner and**

This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a). Stipulation at ¶ 8.

STIPULATION

The parties hereby stipulate to the following matters:

1. Petitioner filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to petitioner's receipt of the tetanus, diphtheria, acellular pertussis ("Tdap") vaccine, which vaccine is contained in the Vaccine Injury Table (the "Table"), 42 C.F.R. § 100.3 (a).
2. Petitioner received a Tdap vaccination on December 27, 2016.
3. The vaccine was administered within the United States.
4. Petitioner alleges that her Guillain-Barré Syndrome was caused-in-fact by a Tdap vaccine.¹ She further alleges that she has experienced residual effects of this injury for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on her behalf as a result of her condition.

¹ In the petition, petitioner stated that she was asserting "a Table case for GBS." but GBS is not a Table injury for the Tdap vaccine. See 42 C.F.R. § 100.3.

6. Respondent denies that petitioner's alleged GBS, or any other injury, was caused-in-fact by a Tdap vaccination.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- A. A lump sum payment of **\$153,102.00** in the form of a check payable to petitioner; and
- B. A lump sum payment of **\$7,592.00²** representing reimbursement of a Medicaid lien for services rendered to petitioner by the State of California, in the form of a check payable jointly to petitioner and:

Re: DHCS Account No. C94779759F-VAC03

P.O. Box 997421
Sacramento, CA 95899-7421.

Petitioner agrees to endorse this check to the California Department of Health Care Services. Petitioner also agrees that these amounts represent compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to

² This amount represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the State of California may have against any individual as a result of any Medicaid payments the California Medicaid Program has made to or on behalf of Silvia Hernandez as a result of her alleged vaccine-related injury suffered on or about December 27, 2016, under Title XIX of the Social Security Act, see 42 U.S.C. § 300aa-15(g), (h).

42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and her attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

11. Payment made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees, and litigation costs, and past unreimbursable expenses, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in her individual capacity and on behalf of her heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely

brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, a Tdap vaccination administered on December 27, 2016, as alleged by petitioner in a petition for vaccine compensation filed on or about May 23, 2018, in the United States Court of Federal Claims as petition No. 18-731V.

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

15. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

16. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

17. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that petitioner's GBS, or any other injury, was caused-in-fact by a Tdap vaccination.

Respectfully submitted,

PETITIONER:
