PROFFER ON AWARD OF COMPENSATION

I. Compensation for Vaccine Injury-Related Items

On June 13, 2019, respondent filed a Vaccine Rule 4(c) report concluding that petitioner suffered an injury that is compensable under the National Childhood Vaccine Injury Act of 1986, as amended, 42 U.S.C. §§ 300aa-10 to -34. Accordingly, on June 17, 2019, the Chief Special Master issued a Ruling on Entitlement.

Respondent now proffers that, based on the evidence of record, petitioner should be awarded \$165,000.00. This amount represents all elements of compensation to which petitioner would be entitled under 42 U.S.C. § 300aa-15(a). Petitioner agrees.

II. Items of Compensation and Form of the Award

The parties recommend that the compensation provided to petitioner should be made through a lump sum payment described below, and request that the Chief Special Master’s decision and the Court’s judgment award the following: ¹

¹ Should petitioner die prior to entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future medical expenses, future pain and suffering, and future lost wages.

A. Petitioner's Damages

A lump sum payment of \$165,000.00 in the form of a check payable to petitioner, Mary Lepper.

B. Guardianship

Petitioner is a competent adult. Evidence of guardianship is not required in this case.
