STIPULATION

The parties hereby stipulate to the following matters:

1. James Shinn (“Mr. Shinn”) filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the “Vaccine Program”). Upon Mr. Shinn’s death, Shari Gardner (“petitioner”), as personal representative of the Estate of James Shinn, was substituted as petitioner. The petition seeks compensation for injuries allegedly related to Mr. Shinn’s receipt of the influenza (“flu”) vaccine, which vaccine is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3 (a).

2. Mr. Shinn received a flu vaccine on or about September 16, 2015.

3. The vaccine was administered within the United States.

4. Petitioner alleges that Mr. Shinn suffered a Shoulder Injury Related to Vaccine Administration (“SIRVA”) as a consequence of the flu immunization he received on or about September 16, 2015, and further alleges that he suffered the residual effects of this injury for more than six months.

5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on Mr. Shinn's behalf as a result of his condition.

6. Respondent denies that Mr. Shinn suffered the onset of his alleged SIRVA within the Table timeframe; denies that the flu vaccine caused Mr. Shinn's alleged shoulder injury or any other injury and further denies that the flu vaccine caused his death.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payment:

A lump sum of \$32,000.00, in the form of a check payable to petitioner, representing compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and her attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State

health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a prepaid basis.

11. Payment made pursuant to paragraph 8 of this Stipulation and any amounts awarded pursuant to paragraph 9 will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. Petitioner represents that she presently is duly authorized to serve as Personal Representative of the Estate of James Shinn, under the laws of the State of New Jersey. No payments pursuant to this Stipulation shall be made until petitioner provides the Secretary with documentation establishing her appointment as Personal Representative of the Estate of James Shinn. If petitioner is not authorized by a court of competent jurisdiction to serve as Personal Representative of the Estate of James Shinn at the time a payment pursuant to this Stipulation is to be made, any such payment shall be paid to the party or parties appointed by a court of competent jurisdiction to serve as legal representative of the Estate of James Shinn, upon submission of written documentation of such appointment to the Secretary.

13. In return for the payments described in paragraphs 8 and 9, petitioner, in her individual capacity, and as legal representative of the Estate of James Shinn, on her own behalf, and on behalf of the Estate, and Mr. Shinn's heirs, executors, administrators, successors, and assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the United States Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or

unknown, suspected or unsuspected personal injuries to or death of Mr. Shinn resulting from, or alleged to have resulted from, the flu vaccination administered on or about September 16, 2015, as alleged by petitioner in a petition for vaccine compensation filed on or about August 30, 2018 in the United States Court of Federal Claims as petition No. 18-1328V.

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the United States Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

15. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the items of compensation sought, is not grounds to modify or revise this agreement.

16. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the flu vaccine caused Mr. Shinn's alleged shoulder injury or death, or any other injury.

17. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns, as legal representative of the Estate of James Shinn.

END OF STIPULATION
