DECISION AWARDING DAMAGES¹

On March 19, 2019, Gregory Bacon filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that he suffered Guillain-Barré Syndrome (“GBS”) after receiving the influenza vaccine on January 18, 2013. Petition at ¶¶ 1-3. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On September 9, 2020, I issued a ruling on entitlement, finding Petitioner entitled to compensation for his GBS. On July 11, 2022, the parties filed the attached joint

stipulation,³ requesting that I issue a decision awarding compensation in the amount of \$127,500.00. I find the stipulation reasonable and adopt it as my decision awarding damages, on the terms set forth therein.

Pursuant to the terms stated in the attached Stipulation, **I award Petitioner a lump sum payment of \$127,500.00 in the form of a check payable to Petitioner.** This amount represents compensation for all damages that would be available under Section 15(a).

The Clerk of Court is directed to enter judgment in accordance with this decision.⁴

IT IS SO ORDERED.

³ Usually, a proffer is filed by Respondent if the parties have reached an informal agreement regarding the appropriate amount of compensation to be awarded after an entitlement determination. However, in a minority of cases, the parties may choose to file a joint stipulation instead, representing more of a compromise regarding the compensation to be awarded.

⁴ Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by the parties' joint filing of notice renouncing the right to seek review.

No. 19-416V (ECF)
Chief Special Master Corcoran

STIPULATION

The parties hereby stipulate to the following matters:

1. Gregory Bacon, petitioner, filed a petition on for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §§ 300aa-10 *et seq.* (the “Vaccine Program”). The petition seeks compensation for injuries allegedly related to petitioner’s receipt of the influenza vaccine, which vaccine is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3(a).
2. Petitioner received the influenza vaccine on January 18, 2013.
3. The vaccination was administered within the United States.
4. Petitioner alleges that he suffered Guillain-Barré Syndrome (“GBS”) within the time period set forth in the Table following administration of the influenza vaccine. Petitioner further alleges that he experienced the residual effects of his GBS for more than six months.
5. There is not a preponderance of the evidence demonstrating that petitioner’s GBS and its residual effects were due to a factor unrelated to his January 18, 2013 flu vaccine.

6. Petitioner represents that there has been no prior award or settlement of a civil action for damages as a result of his GBS and residual effects.

7. Accordingly, petitioner is entitled to compensation under the terms of the Vaccine Program for his GBS. Therefore, a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payment:

A lump sum of **\$127,500.00** in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. §300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the Chief Special Master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and petitioner's attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

11. Payment made pursuant to paragraph 8 of this Stipulation and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, and past unreimbursable expenses, the money provided pursuant to this Stipulation will be used solely for petitioner's benefit as contemplated by a strict construction of 42 U.S.C. §§ 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. §§ 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in his individual capacity, and on behalf of his heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 *et seq.*, on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the flu vaccination administered on January 18, 2013, as alleged by petitioner in a petition for vaccine compensation filed on or about March 19, 2019, in the United States Court of Federal Claims as petition No. 19-416V.

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

Respectfully submitted,

PETITIONER:

GREGORY BACON
