PROFFER ON AWARD OF DAMAGES

On October 9, 2019, Renee Orlandi (“petitioner”) filed a petition for compensation (“Petition”) under the National Childhood Vaccine Injury Act of 1986, 42 U.S.C. §§ 300aa-1 to -34 (“Vaccine Act” or “Act”), as amended. Petitioner alleged that she suffered a Shoulder Injury Related to Vaccine Administration (“SIRVA”) following her receipt of an influenza vaccine on November 3, 2016. Respondent conceded that petitioner’s alleged injury satisfies the criteria of the Vaccine Injury Table, and therefore conceded petitioner’s entitlement to compensation in his Rule 4(c) Report filed on February 28, 2021. Based on Respondent’s Rule 4(c) Report the Court found petitioner entitled to compensation.

I. Items of Compensation

A. Pain and Suffering

Respondent proffers that petitioner should be awarded \$100,000.00 in actual and projected pain and suffering. This amount reflects that any award for projected pain and suffering has been reduced to net present value. *See* 42 U.S.C. § 300aa-15(a)(4). Petitioner agrees.

B. Past Unreimbursable Expenses

Evidence supplied by petitioner documents her expenditure of past unreimbursable expenses related to her vaccine-related injury. Respondent proffers that petitioner should be awarded past unreimbursable expenses in the amount of \$558.57. Petitioner agrees.

II. Form of the Award

Respondent recommends that the compensation provided to petitioner should be made through a lump sum payment of **\$100,558.57**, in the form of a check made payable to petitioner.

¹ This lump sum payment represents all elements of compensation to which petitioner would be entitled under 42 U.S.C. § 300aa-15(a). Petitioner agrees.

Petitioner is a competent adult. Evidence of guardianship is not required in this case.

Respectfully submitted,

¹ Should petitioner die prior to the entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future medical expenses, future lost earnings, and future pain and suffering.
