On April 24, 2020, Pamela Bell filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10, *et seq.*² (the “Vaccine Act”). On or about October 7, 2018, Petitioner received an influenza (“flu”) vaccine, which vaccine is listed on the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3(a). Petitioner alleges that she suffered a shoulder injury related to vaccine administration (“SIRVA”) as a consequence of the flu vaccine, and further alleges that she suffered the residual effects of this injury for more than six months.

Respondent denies that Petitioner suffered the onset of her alleged SIRVA within the Table timeframe; denies that the flu vaccine caused Petitioner’s alleged shoulder

- b) **A lump sum of \$1,602.58,³ representing reimbursement of a Medicaid lien for services rendered to Petitioner by the State of Florida, through Wellcare, in the form of a check payable jointly to Petitioner and Equian:**

STIPULATION

The parties hereby stipulate to the following matters:

1. Petitioner, Pamela Bell, filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the “Vaccine Program”). The petition seeks compensation for injuries allegedly related to petitioner’s receipt of the influenza (“flu”) vaccine, which vaccine is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3 (a).

2. Petitioner received a flu vaccine on or about October 7, 2018.

3. The vaccine was administered within the United States.

4. Petitioner alleges that she suffered a Shoulder Injury Related to Vaccine Administration (“SIRVA”) as a consequence of the flu immunization she received on or about October 7, 2018, and further alleges that she suffered the residual effects of this injury for more than six months.

5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on her behalf as a result of her condition.

6. Respondent denies that petitioner suffered the onset of her alleged SIRVA within the Table timeframe; denies that the flu vaccine caused petitioner's alleged shoulder injury or any other injury and further denies that her current disabilities are a sequela of a vaccine-related injury.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- a. A lump sum of **\$45,000.00** in the form of a check payable to petitioner; and
- b. A lump sum of **\$1,602.58**,¹ representing reimbursement of a Medicaid lien for services rendered to petitioner by the State of Florida, through Wellcare, in the form of a check payable jointly to petitioner and Equian:

Equian
Event Number: 50055768
PO Box 182643
Columbus, OH 43218

Petitioner agrees to endorse this check to Equian.

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the

¹ This amount represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the State of Florida may have against any individual as a result of any Medicaid payments the Florida Program has made to or on behalf of Pamella Bell as a result of her alleged vaccine-related injury suffered on or about October 7, 2018, under Title XIX of the Social Security Act, see 42 U.S.C. § 300aa-15(g), (h).

special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and her attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a prepaid basis.

11. Payment made pursuant to paragraph 8 of this Stipulation and any amounts awarded pursuant to paragraph 9 will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorney's fees and litigation costs, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in her individual capacity, and on behalf of her heirs, executors, administrators, successors, and assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the United States Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or

alleged to have resulted from, the flu vaccination administered on or about October 7, 2018, as alleged by petitioner in a petition for vaccine compensation filed on or about April 24, 2020 in the United States Court of Federal Claims as petition No. 20-501V.

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

15. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the United States Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

16. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

17. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the flu vaccine caused petitioner's alleged shoulder injury or any other injury or any of her current disabilities.

18. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.

END OF STIPULATION

Respectfully submitted,

PETITIONER:
