## **DECISION ON JOINT STIPULATION<sup>1</sup>**

On August 3, 2020, Crystal Cervantez-Tkac filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*<sup>2</sup> (the “Vaccine Act”). Petitioner alleges that she suffered a shoulder injury related to vaccine administration (“SIRVA”), a defined Table Injury, caused-in-fact by the influenza (“flu”) vaccine she received on December 20, 2018. Petition at 1, ¶¶ 2, 8; Stipulation, filed at Feb. 15, 2021, ¶¶ 1-2, 4. Petitioner further alleges that she received the vaccination in the United States, that she suffered the residual effects of her SIRVA more than six-months post-vaccination, and that neither she nor any other party has filed a civil action or received compensation for her SIRVA. Petition at ¶¶ 2, 6, 9-10; Stipulation at ¶¶ 3-5. “Respondent denies that [P]etitioner sustained a SIRVA Table injury; denies that the flu vaccine caused her alleged shoulder injury or any other injury or condition; and denies that her current condition is a sequelae of a vaccine-related injury.” Stipulation at ¶ 6.

Pursuant to the terms stated in the attached Stipulation, I award **\$32,995.88** as follows:

1. A lump sum payment of **\$32,500.00** in the form of a check payable to Petitioner; and

**STIPULATION**

The parties hereby stipulate to the following matters:

1. Crystal Cervantez-Tkac (“petitioner”) filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the “Vaccine Program”). The petition seeks compensation for injuries allegedly related to petitioner’s receipt of an influenza (“flu”) vaccine, which vaccine is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3 (a).

2. Petitioner received a flu immunization on December 20, 2018.

3. The vaccine was administered within the United States.

4. Petitioner alleges that she sustained a shoulder injury related to vaccine administration (“SIRVA”) within the time period set forth in the Table. She further alleges that she has experienced residual effects of her alleged injury for more than six months.

5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on her behalf as a result of her condition.

6. Respondent denies that petitioner sustained a SIRVA Table injury; denies that the flu vaccine caused her alleged shoulder injury or any other injury or condition; and denies that her current condition is a sequelae of a vaccine-related injury.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- A. A lump sum of **\$32,500.00** in the form of a check payable to petitioner; and
- B. A lump sum of **\$495.88**,<sup>1</sup> representing reimbursement of a Medicaid lien for services rendered to petitioner by the State of Colorado, in the form of a check payable jointly to petitioner and the Colorado Department of Health Care Policy and Financing:

Colorado Department of Health Care Policy and Financing  
333 W. Hampden Avenue, Suite #425  
Englewood, CO 80110  
Case # 215078

Petitioner agrees to endorse this check to the Colorado Department of Health Care  
Policy and Financing.

These amounts represent compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

---

<sup>1</sup> This amount represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the State of Colorado may have against any individual as a result of any Medicaid payments the Colorado Program has made to or on behalf of Crystal Cervantez-Tkac as a result of her alleged vaccine-related injury suffered on or about December 20, 2018, under Title XIX of the Social Security Act, *see* 42 U.S.C. § 300aa-15(g), (h).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and her attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

11. Payments made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees, and litigation costs, and past unreimbursable expenses, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in her individual capacity and on behalf of her heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action

(including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from a flu vaccination administered on December 20, 2018, as alleged by petitioner in a petition for vaccine compensation filed on or about August 3, 2020, in the United States Court of Federal Claims as petition No. 20-0958V.

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

15. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

16. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

17. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that petitioner sustained a SIRVA Table injury; that the flu vaccine caused any other injury; or that her current condition is a sequelae of a vaccine-related injury.

18. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.

END OF STIPULATION
