DECISION AWARDING DAMAGES¹

On August 25, 2020, Nicole Hamel² filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*³ (the “Vaccine Act”). Petitioner alleges that she suffered a left shoulder injury related to vaccine administration (“SIRVA”) as a result of an influenza vaccine received on October 19, 2017. Petition at 1. Petitioner further alleges the vaccine was administered in the United States, she suffered the residual effects of her injury for more than six months, and no lawsuits have been filed or settlements or awards accepted by anyone, including Petitioner, due to her vaccine-related injury. Petition at ¶¶ 43-45. The case was assigned to the Special Processing Unit of the Office of Special Masters.

¹ Because this unpublished Decision contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² The petition was filed under Petitioner's former name, Nicole Arney.

³ National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all section references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

On December 14, 2021, a ruling on entitlement was issued, finding Petitioner entitled to compensation for SIRVA. On April 26, 2022, Respondent filed a proffer on award of compensation (“Proffer”) indicating Petitioner should be awarded \$100,000.00. Proffer at 1. In the Proffer, Respondent represented that Petitioner agrees with the proffered award. *Id.* Based on the record as a whole, I find that Petitioner is entitled to an award as stated in the Proffer.

Pursuant to the terms stated in the attached Proffer, **I award Petitioner a lump sum payment of \$100,000.00, which represents compensation for pain and suffering, in the form of a check payable to Petitioner.** This amount represents compensation for all damages that would be available under Section 15(a).

The Clerk of Court is directed to enter judgment in accordance with this decision.⁴

IT IS SO ORDERED.

RESPONDENT’S PROFFER ON AWARD OF COMPENSATION

On December 10, 2021, respondent filed a Rule 4(c) Report, conceding that petitioner’s claim meets the Table criteria for a SIRVA injury. On December 14, 2021, the Court issued a Ruling on Entitlement finding petitioner entitled to compensation under the Vaccine Act.

I. Items of Compensation

Based upon the evidence of record, respondent proffers that petitioner should be awarded the following, and requests that the Chief Special Master’s decision and the Court’s judgment award:

a lump sum payment of **\$100,000.00**, which represents compensation for pain and suffering. *See* 42 U.S.C. § 300aa-15(a)(4).

This amount represents all elements of compensation to which petitioner would be entitled under 42 U.S.C. § 300aa-15(a).¹ Petitioner agrees.

¹ Should petitioner die prior to the entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future pain and suffering.

II. Form of the Award

Petitioner is a competent adult. Evidence of guardianship is not required in this case.

Respondent recommends that petitioner be awarded a lump sum payment of **\$100,000.00**, in the form of a check payable to petitioner. Petitioner agrees.
