### DECISION<sup>1</sup>

On October 2, 2020, Charles J. Keyser (“Petitioner”) filed a petition for compensation pursuant to the National Vaccine Injury Compensation Program.<sup>2</sup> 42 U.S.C. §§ 300aa-10 to -34 (2012); Pet., ECF No. 1. Petitioner alleged that an influenza (“flu”) vaccine administered on October 9, 2017, caused him to suffer Guillain-Barré syndrome (“GBS”). Pet. at 1.

On March 11, 2025, the parties filed a stipulation in which they state that a decision should be entered awarding compensation to Petitioner. Stipulation ¶ 7, ECF No. 49. Respondent “denies that the flu vaccine caused [P]etitioner to suffer from GBS or any other condition.” *Id.* at ¶ 6. Nevertheless, the parties agree to the joint stipulation. *See id.* at ¶ 7. I find the stipulation reasonable and adopt it as the decision of the Court in awarding damages, on the terms set forth therein.

If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

<sup>2</sup> National Childhood Vaccine Injury Act of 1986, Pub L. No. 99-660, 100 Stat. 3755.

The parties stipulate that Petitioner shall receive the following compensation:

- (a) A lump sum payment of \$33,000.00 to be paid through an ACH deposit to petitioner's counsel's IOLTA account for prompt disbursement to petitioner.**

*Id.* ¶ 8. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

I approve the requested amount for Petitioner's compensation. Accordingly, an award should be made consistent with the stipulation.

In the absence of a motion for review filed pursuant to RCFC Appendix B, the Clerk of Court **SHALL ENTER JUDGMENT** in accordance with the terms of the parties' stipulation.<sup>3</sup>

**IN THE UNITED STATES COURT OF FEDERAL CLAIMS  
OFFICE OF SPECIAL MASTERS**

CHARLES J. KEYSER,

Petitioner,

v.

SECRETARY OF HEALTH AND  
HUMAN SERVICES,

Respondent.

No. 20-1313V (ECF)  
Special Master Young

**STIPULATION**

The parties hereby stipulate to the following matters:

1. Charles J. Keyser (“petitioner”) filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §§ 300aa-10 to -34 (“Vaccine Program”). The petition seeks compensation for injuries allegedly related to petitioner’s receipt of an influenza (“flu”) vaccine, which vaccine is contained in the Vaccine Injury Table (“Table”), 42 C.F.R. § 100.3(a).
2. Petitioner received his flu vaccination on October 9, 2017.
3. The vaccination was administered within the United States.
4. Petitioner alleges that as a result of receiving the flu vaccine, he developed Guillain-Barré syndrome (“GBS”). Petitioner further alleges that he experienced the residual effects of this condition for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on his behalf as a result of his condition.
6. Respondent denies that the flu vaccine caused petitioner to suffer from GBS or

any other condition.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payment:

A lump sum of **\$33,000.00**, to be paid through an ACH deposit to petitioner's counsel's IOLTA account for prompt disbursement to petitioner.

This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorney's fees and costs incurred in proceeding upon this petition.

10. Petitioner and his attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396, *et seq.*)), or entities that provide health services on a pre-paid basis.

11. Payment made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. In return for the payments described in paragraphs 8 and 9, petitioner, in his individual capacity and on behalf of his heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10, *et seq.*, on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the flu vaccination administered on or about October 9, 2017, as alleged by petitioner in a petition for vaccine compensation filed on or about October 2, 2020, in the United States Court of Federal Claims as petition No. 20-1313V.

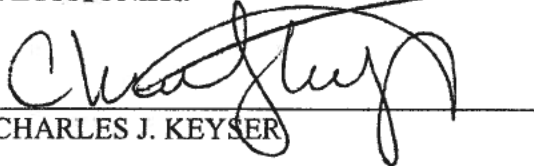

13. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

14. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly

Respectfully submitted,
