DECISION ON JOINT STIPULATION¹

On October 22, 2020, Janice E. Mayer filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that she suffered Guillain-Barre Syndrome (“GBS”) resulting from an influenza vaccine received on September 24, 2018. Petition at 1; Stipulation, filed April 25, 2023, at ¶¶ 2-4. Petitioner further alleges the vaccine was administered in the United States, she suffered residual effects and complications of her condition for more than six months, and Petitioner has never received compensation or filed a civil action, prior to filing this petition, for her vaccine-related injuries. Petition at ¶¶ 3, 23, 30; Stipulation at ¶¶ 3-5. The stipulation further states:

On May 17, 2021, respondent conceded that petitioner had satisfied the criteria for a GBS Table injury in his Rule 4(c) report. On May 18, 2021, The Chief Special Master issued a Ruling on Entitlement, finding that petitioner

is entitled to compensation for a vaccine-related injury. However, based on additional medical evidence provided thereafter, respondent now denies that petitioner sustained a GBS Table injury; denies that the vaccine caused petitioner's alleged injury, or any other injury; and denies that her current condition is a sequela of a vaccine-related injury. Respondent continues to maintain his contrary position, but will not seek review of the Chief Special Master's determination of entitlement upon its memorialization as a reviewable decision.

Stipulation at ¶ 6.

Nevertheless, on April 25, 2023, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. I find the stipulation reasonable and adopt it as my decision awarding damages, on the terms set forth therein.

Pursuant to the terms stated in the attached Stipulation, **I award** the following compensation:

- a. **A lump sum of \$278,320.00, which amount represents compensation for first-year residential care expenses (\$60,000.00), pain and suffering (\$118,320.00), and past unreimbursable expenses (\$100,000.00), in the form of a check payable to Petitioner; and**
- b. **An amount sufficient to purchase the annuity contract described in paragraph 10 of the Stipulation, paid to the life insurance company from which the annuity will be purchased.**

Stipulation at ¶ 8. These amounts represent compensation for all damages that would be available under Section 15(a). *Id.*

I approve the requested amount for Petitioner's compensation. In the absence of a motion for review filed pursuant to RCFC Appendix B, the Clerk of Court is directed to enter judgment in accordance with this decision.³

IT IS SO ORDERED.

³ Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by the parties' joint filing of notice renouncing the right to seek review.
