OFFICE OF SPECIAL MASTERS

No. 20-1545V
UNPUBLISHED

GEORGE JAPARIDZE,

Petitioner,

v.

SECRETARY OF HEALTH AND
HUMAN SERVICES,

Respondent.

Chief Special Master Corcoran

Filed: December 8, 2022

Special Processing Unit (SPU); Joint
Stipulation on Damages; Influenza
(Flu) Vaccine; Guillain- Barré
syndrome (GBS).

Ronald Craig Homer, Conway, Homer, P.C., Boston, MA, for Petitioner.

Amanda Pasciuto, U.S. Department of Justice, Washington, DC, for Respondent.

DECISION ON JOINT STIPULATION¹

On November 6, 2020, George Japaridze filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner received an influenza (“flu”) vaccine, which vaccine is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3(a), on August 3, 2018. Petitioner alleges that he suffered from Guillain- Barré syndrome (“GBS”) as a result of receiving the flu vaccine, and that he experienced the residual effects of this injury for more than six months.

Respondent denies that the flu vaccine caused Petitioner to suffer from GBS, or other injury, or his current condition.

¹ Because this unpublished Decision contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all section references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

Nevertheless, on December 7, 2022, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. I find the stipulation reasonable and adopt it as my decision awarding damages, on the terms set forth therein.

Pursuant to the terms stated in the attached Stipulation, I **award** the following compensation:

- a) A lump sum of **\$316,851.16** (which represents compensation for first-year life care expenses (\$15,327.04), lost earnings (\$86,554.52), pain and suffering (\$190,000.00), and past unreimbursable expenses (\$24,969.60) in the form of a check payable to Petitioner. Stipulation at ¶ 8.
- b) An amount sufficient to purchase the annuity contract described in paragraph 10 of the attached stipulation, to be paid to the life insurance company from which the annuity will be purchased (the “Life Insurance Company”). *Id.*

These amounts represent compensation for all items of damages that would be available under Section 15(a). *Id.*

I approve the requested amount for Petitioner’s compensation. In the absence of a motion for review filed pursuant to RCFC Appendix B, the Clerk of Court is directed to enter judgment in accordance with this decision.³

IT IS SO ORDERED.

s/Brian H. Corcoran
Brian H. Corcoran
Chief Special Master

³ Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by the parties’ joint filing of notice renouncing the right to seek review.

6. Respondent denies that the flu vaccine caused petitioner to suffer from GBS, or any other injury, or his current condition.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- a. A lump sum of \$316,851.16, which amount represents compensation for first year life care expenses (\$15,327.04), lost earnings (\$86,554.52), pain and suffering (\$190,000.00), and past unreimbursable expenses (\$24,969.60) in the form of a check payable to petitioner;
- b. An amount sufficient to purchase the annuity contract described in paragraph 10 below, paid to the life insurance company from which the annuity will be purchased (the "Life Insurance Company").

These amounts represent compensation for all damages that would be available under 42 U.S.C. §300aa-15(a).

9. The Life Insurance Company must have a minimum of \$250,000,000 capital and surplus, exclusive of any mandatory security valuation reserve. The Life Insurance Company must have one of the following ratings from two of the following rating organizations:

- a. A.M. Best Company: A++, A+, A+g, A+p, A+r, or A+s;
- b. Moody's Investor Service Claims Paying Rating: Aa3, Aa2, Aa1, or Aaa;
- c. Standard and Poor's Corporation Insurer Claims-Paying Ability Rating: AA-, AA, AA+, or AAA;
- d. Fitch Credit Rating Company, Insurance Company Claims Paying Ability Rating: AA-, AA, AA+, or AAA.

10. The Secretary of Health and Human Services agrees to purchase an annuity contract from the Life Insurance Company for the benefit of petitioner, George Japaridze, pursuant to which the Life Insurance Company will agree to make payments periodically to petitioner as follows for the following life care items available under 42 U.S.C. §300aa-15(a).

a. For future unreimbursable Insurance Deductible, Primary Care Physician, and Neurologist expenses, beginning on the first anniversary of the date of judgment, an annual amount of \$1,705.13 to be paid up to the anniversary of the date of judgment in year 2026, increasing at the rate of three percent (3%), compounded annually from the date of judgment.

b. For future unreimbursable Medicare Part B Deductible and Medigap expenses, beginning on the anniversary of the date of judgment in year 2026, an annual amount of \$579.32 to be paid for the remainder of petitioner's life, increasing at the rate of three percent (3%),

c. For future unreimbursable Physical Therapy, Occupational Therapy, and Counselor expenses, on the first anniversary of the date of judgment, a lump sum of \$600.00. Then, on the second anniversary of the date of judgment, a lump sum of \$320.00. Then, on the anniversary of the date of judgment in year 2032, a lump sum of \$560.00. Thereafter, beginning on the anniversary of the date of judgment in year 2033, an annual amount of \$280.00 to be paid for the remainder of petitioner's life, all amounts increasing at the rate of three percent (3%), compounded annually from the date of judgment.

d. For future unreimbursable Hand Arm Splint, Shower Chair, Hand Held Shower, Hand Exerciser, Grooming Item, Kitchen and Writing Aid, Stair Lift, Tylenol, Motrin, Primary Care Physician Mileage, Neurologist Mileage, Physical Therapy Mileage, Occupational Therapy Mileage, and Counselor Mileage expenses, on the first anniversary of the date of judgment, a lump sum of \$546.40. Then, on the second anniversary of the date of judgment, a lump sum of \$428.48. Then, beginning on the third anniversary of the date of judgment, an annual amount of \$405.48 to be paid up to the anniversary of the date of judgment in year 2031. Thereafter, beginning on the anniversary of the date of judgment in year 2031, an annual amount of \$398.70 to be paid for the remainder of petitioner's life, all amounts increasing at the rate of three percent (3%), compounded annually from the date of judgment.

e. For future unreimbursable Bariatric Lift Chair expenses, on the anniversary of the date of judgment in year 2027, a lump sum of \$649.00. Thereafter, beginning on the anniversary of the date of judgment in year 2028, an annual amount of \$129.80 to be paid for the remainder of petitioner's life, all amounts increasing at the rate of three percent (3%), compounded annually from the date of judgment.

f. For future unreimbursable Emergency Response System and Home Care expenses, beginning on the first anniversary of the date of judgment, an annual amount of \$7,351.44 to be paid for the remainder of petitioner's life, increasing at the rate of three percent (3%), compounded annually from the date of judgment.

At the sole discretion of the Secretary of Health and Human Services, the periodic payments set forth in paragraph 10 above may be provided to petitioner in monthly, quarterly, annual or other installments. The "annual amounts" set forth above describe only the total yearly sum to be paid to petitioner and do not require that the payment be made in one annual installment. Petitioner will continue to receive the annuity payments from the Life Insurance Company only so long as he, George Japaridze, is alive at the time that a particular payment is due. Written notice shall be provided to the Secretary of Health and Human Services and the Life Insurance Company within twenty (20) days of petitioner's death.

11. The annuity contract will be owned solely and exclusively by the Secretary of Health and Human Services and will be purchased as soon as practicable following the entry of a judgment in conformity with this Stipulation. The parties stipulate and agree that the Secretary of Health and Human Services and the United States of America are not responsible for the payment of any sums other than the amounts set forth in paragraph 8 herein and the amounts awarded pursuant to paragraph 12 herein, and that they do not guarantee or insure any of the future annuity payments. Upon the purchase of the annuity contract, the Secretary of Health and Human Services and the United States of America are released from any and all obligations with respect to future annuity payments.

12. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding

upon this petition.

13. Petitioner and his attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a pre-paid basis.

14. Payments made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 12 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

15. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, and past unreimbursable expenses, the money provided pursuant to this Stipulation either immediately or as part of the annuity contract, will be used solely for petitioner's benefit as contemplated by a strict construction of 42 U.S.C. §§ 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. §§ 300aa-15(g) and (h).

16. In return for the payments described in paragraphs 8 and 12, petitioner, in his individual capacity, and on behalf of his heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting

from, or alleged to have resulted from, the flu vaccination administered on August 3, 2018, as alleged by petitioner in a petition for vaccine compensation filed on or about November 6, 2020, in the United States Court of Federal Claims as petition No. 20-1545V.

17. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

18. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

19. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 12 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

20. Petitioner hereby authorizes respondent to disclose documents filed by petitioner in this case consistent with the Privacy Act and the routine uses described in the National Vaccine Injury Compensation Program System of Records, No. 09-15-0056.

21. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the flu vaccine caused petitioner's alleged GBS, or any other injury, or his current condition.

22. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.

END OF STIPULATION

Respectfully submitted,
