RULING ON ENTITLEMENT¹

On November 30, 2020, Clifford Gray filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleged that he suffered a shoulder injury related to vaccine administration (“SIRVA”) as a result of the influenza (“flu”) vaccine administered in his left deltoid on November 12, 2019. Petition at 1. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On April 21, 2022, Respondent filed his Rule 4(c) report in which he **concedes** that Petitioner’s alleged injury is consistent with the SIRVA criteria set forth in the Vaccine Injury Table (“Table”) and the accompanying Qualifications and Aids to Interpretation

("QAI"), and that compensation is appropriate. Rule 4(c) Report at 4 (citing 42 C.F.R. §§ 100.3(a), (c)(10)).

In view of Respondent's position and the evidence of record, I find that Petitioner is entitled to compensation.

IT IS SO ORDERED.
