DECISION AWARDING DAMAGES¹

On December 3, 2020, Lindsay Nowland filed a petition for compensation under the National Vaccine Injury Compensation Program, [42 U.S.C. §300aa-10](#), *et seq.*² (the “Vaccine Act”). Petitioner alleges that she suffered a right shoulder injury related to vaccine administration (“SIRVA”) as a result of an influenza vaccine received on October 3, 2019. Petition at 1. Petitioner further alleges the vaccine was administered in the United States, her symptoms persisted for more than six months, and neither Petitioner, nor any other party, has ever filed any action for or received compensation in the form of an award or settlement for her vaccine-related injury. Petition at ¶¶ 1, 5-7. The case was assigned to the Special Processing Unit of the Office of Special Masters.

¹ Because this unpublished Decision contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. [44 U.S.C. § 3501](#) note (2012) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with [Vaccine Rule 18\(b\)](#), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, [100 Stat. 3755](#). Hereinafter, for ease of citation, all section references to the Vaccine Act will be to the pertinent subparagraph of [42 U.S.C. § 300aa](#) (2012).

On March 14, 2022, a ruling on entitlement was issued, finding Petitioner entitled to compensation for SIRVA. On July 14, 2022, Respondent filed a proffer on award of compensation (“Proffer”) indicating Petitioner should be awarded \$63,239.27. Proffer at 2. In the Proffer, Respondent represented that Petitioner agrees with the proffered award. *Id.* Based on the record as a whole, I find that Petitioner is entitled to an award as stated in the Proffer.

Pursuant to the terms stated in the attached Proffer, **I award Petitioner a lump sum payment of \$63,239.27 (comprised of \$62,500.00 in pain and suffering and \$739.27 in past unreimbursable expenses) in the form of a check payable to Petitioner.** This amount represents compensation for all damages that would be available under Section 15(a).

The Clerk of Court is directed to enter judgment in accordance with this decision.³

IT IS SO ORDERED.

³ Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by the parties’ joint filing of notice renouncing the right to seek review.

B. Past Unreimbursable Expenses

Evidence supplied by petitioner documents that she incurred past unreimbursable expenses related to her vaccine-related injury. Respondent proffers that petitioner should be awarded past unreimbursable expenses in the amount of \$739.27. *See* [42 U.S.C. § 300aa-15\(a\)\(1\)\(B\)](#). Petitioner agrees.

The above amounts represent all elements of compensation to which petitioner is entitled under [42 U.S.C. § 300aa-15\(a\)](#). Petitioner agrees.

II. Form of the Award

Petitioner is a competent adult. Evidence of guardianship is not required in this case. Respondent recommends that the compensation provided to petitioner should be made through a lump sum payment as described below and requests that the Chief Special Master's decision and the Court's judgment award the following¹: a lump sum payment of \$63,239.27, in the form of a check payable to petitioner.

III. Summary of Recommended Payments Following Judgment
