DECISION ON DAMAGES¹

On December 8, 2020, Elaine Tornatore filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that she suffered a shoulder injury related to vaccine administration (“SIRVA”) following her receipt of an influenza vaccine on August 17, 2020. Petition at 1. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On June 9, 2023, a ruling on entitlement was issued, finding Petitioner entitled to compensation for SIRVA. On July 14, 2023, Respondent filed a proffer on award of compensation (“Proffer”). Respondent represented that Petitioner agrees with the proffered award. *Id.* Based on the record as a whole, I find that Petitioner is entitled to an award as stated in the Proffer.

This amount represents compensation for all damages that would be available under Section 15(a).
