DECISION ON ATTORNEY'S FEES AND COSTS¹

On January 6, 2021, Emma Jones filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleged that she suffered bilateral shoulder injuries related to vaccine administration defined Table injuries, after receiving the Prevnar 13 and influenza vaccines on October 4, 2019. Petition, ECF No. 1. On July 27, 2023, I issued a decision awarding compensation to Petitioner based on the parties’ stipulation. ECF No. 34.

¹ Because this Decision contains a reasoned explanation for the action taken in this case, it must be made publicly accessible and will be posted on the United States Court of Federal Claims’ website, and/or at <https://www.govinfo.gov/app/collection/uscourts/national/cofc>, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2018) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

Petitioner has now filed a motion for attorney's fees and costs, requesting an award of \$14,143.89 (representing \$13,532.50 in fees plus \$611.39 in costs). Petitioner's Application for Fees and Costs ("Motion") filed Oct. 20, 2023, ECF No. 39. In accordance with General Order No. 9, counsel for Petitioner represents that Petitioner incurred no out-of-pocket expenses. *Id.* at 2.

Respondent reacted to the motion on Nov. 2, 2023, reporting that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case, but deferring resolution of the amount to be awarded to my discretion. Respondent's Response to Motion at 2-3, ECF No. 40. Petitioner did not file a reply thereafter.

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates. Furthermore, Petitioner has provided supporting documentation for all claimed costs. Motion at 14-19. Respondent offered no specific objection to the rates or amounts sought.

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. I award a total of **\$14,143.89 (representing \$13,532.50 in fees plus \$611.39 in costs) as a lump sum in the form of a check jointly payable to Petitioner and Petitioner's counsel, Laura Levenberg.** In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this Decision.³

IT IS SO ORDERED.
