On January 11, 2021, Joelle Held filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that she suffered a shoulder injury related to vaccine administration (“SIRVA”) as a result of an influenza (“flu”) vaccine that was administered on October 19, 2020. Petition at 1. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On May 24, 2023, Respondent filed his Rule 4(c) report in which he concedes that Petitioner is entitled to compensation in this case. Respondent’s Rule 4(c) Report at 1. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

4. Respondent further agrees that Petitioner has satisfied all statutory and jurisdictional requirements. *Id.*

In view of Respondent's position and the evidence of record, I find that Petitioner is entitled to compensation.
