DECISION ON ATTORNEY'S FEES AND COSTS¹

On January 11, 2021, Alison Mora filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the "Vaccine Act"). Petitioner alleges that she suffered a shoulder injury related to vaccine administration, resulting from an influenza vaccine administered to her on November 13, 2019. Petition at 1. On October 28, 2022, a decision was issued awarding compensation to Petitioner in the amount of \$63,000.00. ECF No. 44.

¹ Because this unpublished Decision contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

Petitioner has now filed a motion for attorney's fees and costs, dated November 23, 2022 (ECF No. 44), requesting a total award of \$54,511.90 (representing \$52,262.00 in fees and \$2,249.90 in costs). In accordance with General Order No. 9, Petitioner filed a signed statement indicating that she incurred no out-of-pocket expenses. *Id.* at 49. Respondent reacted to the motion on November 30, 2022, indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case, but deferring resolution of the amount to be awarded at the Court's discretion. ECF No. 46. Petitioner did not file a reply thereafter.

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates.

The Vaccine Act permits an award of reasonable attorney's fees and costs. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. I award a total of **\$54,511.90** (representing \$52,262.00 in fees and \$2,249.90 in costs) as a lump sum in the form of a check jointly payable to Petitioner and David J. Carney, Esquire and Green & Schafle, LLC. In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk shall enter judgment in accordance with this decision.³

IT IS SO ORDERED.
