DECISION ON ATTORNEY'S FEES AND COSTS¹

On January 11, 2021, Myra B. Crowder filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the "Vaccine Act"). Petitioner alleges that she suffered a shoulder injury related to vaccine administration ("SIRVA"), a defined Table injury, or in the alternative a caused-in-fact claim, after receiving an influenza ("flu") vaccine on September 26, 2020. Petition at 1, ¶¶ 2, 7, 12. On October 2, 2023, I issued a decision awarding compensation to Petitioner based on the parties' stipulation. ECF No. 39.

¹Because this Decision contains a reasoned explanation for the action taken in this case, it must be made publicly accessible and will be posted on the United States Court of Federal Claims' website, and/or at <https://www.govinfo.gov/app/collection/uscourts/national/cofc>, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2018) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all section references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2018).

Petitioner has now filed a motion for attorney's fees and costs, requesting an award of \$13,477.11 (representing \$12,798.50 in fees plus \$678.61 in costs). Petitioner's Final Motion for Attorney Fees and Costs ("Motion") filed January 5, 2024, ECF No. 44. In accordance with General Order No. 9, Petitioner filed a signed statement indicating that she incurred no out-of-pocket expenses. ECF No. 44 -2.

Respondent reacted to the motion on January 19, 2024, indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case, but deferring resolution of the amount to be awarded to my discretion. Respondent's Response to Motion at 2-3, 3 n.2, ECF No. 45. Petitioner filed a reply on January 19, 2024, requesting the Chief Special Master determine a reasonable amount of Attorney's Fees and Costs. ECF No. 46.

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates. Furthermore, Petitioner has provided supporting documentation for all claimed costs. ECF No. 44 -1 at 12 - 32. Respondent offered no specific objection to the rates or amounts sought.

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. **I award a total of \$13,477.11 (representing \$12,798.50 in fees plus \$678.61 in costs) as a lump sum in the form of a check jointly payable to Petitioner and Petitioner's Counsel, Turning Point Litigation.** In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this decision.³

IT IS SO ORDERED.
