Chief Special Master Corcoran

Filed: June 20, 2025

Leigh Finfer, Muller Brazil, LLP, Dresher, PA, for Petitioner.

Meghan Murphy, U.S. Department of Justice, Washington, DC, for Respondent.

DECISION ON ATTORNEY'S FEES AND COSTS¹

On January 11, 2021, Claudia Langmaid filed a Petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the "Vaccine Act"). Petitioner alleged that she suffered a left-sided shoulder injury related to vaccine administration ("SIRVA") in connection with an influenza vaccine received on October 24, 2019. Petition at 1. On March 26, 2025, I issued a decision awarding damages to Petitioner based upon Respondent's proffer. ECF No. 43.

¹Because this Decision contains a reasoned explanation for the action taken in this case, it must be made publicly accessible and will be posted on the United States Court of Federal Claims' website, and/or at <https://www.govinfo.gov/app/collection/uscourts/national/cofc>, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2018) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all section references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2018).

Petitioner has now filed a motion for attorney's fees and costs, requesting an award of \$26,614.82, representing \$25,736.20 for fees and \$878.62 in attorney's costs). Petitioner's Application for Attorneys' Fees, filed May 9, 2025, ECF No. 48. In accordance with General Order No. 9, counsel for Petitioner represents that Petitioner incurred no out-of-pocket expenses. *Id.* at 2.

Respondent reacted to the motion on May 28, 2025, indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case, but deferring resolution of the amount to be awarded to my discretion. Respondent's Response to Motion at 2-3, 3 n.2, ECF No. 49. Petitioner has not filed a reply.

The rates requested for work performed through 2025 are reasonable and consistent with our prior determinations, and will therefore be adopted.

I also note this case required additional briefing regarding entitlement, specifically severity. See Petitioner's Motion for a Factual Ruling, filed July 6, 2023, ECF No. 32; Petitioner's Reply to Respondent's Response to Petitioner's Motion for a Ruling on the Record, filed Sept. 7, 2023, ECF No. 34. Petitioner's counsel expended approximately 16.9 hours drafting the entitlement brief and 12.2 hours drafting the reply entitlement brief, for a combined total of 29.1 hours. ECF No. 48 at 13-14. Although a greater number of hours than I would usually approve, given that the needed discussion was only regarding severity, given the overall lower total of attorney's fees requested, I find this time to have been reasonably incurred. (And all time billed to the matter was also reasonably incurred.)

Furthermore, Petitioner has provided supporting documentation for all claimed costs, ECF No. 48 at 18-24. And Respondent offered no specific objection to the rates or amounts sought. ECF No. 49. I have reviewed the requested costs and find them to be reasonable.

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. I award a total of **\$26,614.82, representing \$25,736.20 for fees and \$878.62 in attorney's costs** to be paid through an ACH deposit to **Petitioner's counsel's IOLTA account for prompt disbursement.** In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this Decision.³

³ Pursuant to Vaccine Rule 11(a), the parties may expedite entry of judgment by filing a joint notice renouncing their right to seek review.

IT IS SO ORDERED.
