DECISION AWARDING DAMAGES¹

On January 12, 2021, Jean Soderstrom filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that she suffered a left shoulder injury related to vaccine administration (“SIRVA”) after receiving an influenza vaccination on November 8, 2018. Petition at 1. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On February 13, 2026, a ruling on entitlement was issued, finding Petitioner entitled to compensation for her SIRVA. On May 5, 2026, Respondent filed a proffer on award of compensation (“Proffer”) indicating Petitioner should be awarded \$75,000.00 for her pain and suffering. Proffer at 1. In the Proffer, Respondent represented that Petitioner agrees with the proffered award. *Id.* Based on the record as a whole, I find that Petitioner is entitled to an award as stated in the Proffer.

If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

Pursuant to the terms stated in the attached Proffer, **I award Petitioner a lump sum payment of \$75,000.00, to be paid through an ACH deposit to Petitioner's counsel's IOLTA account for prompt disbursement to Petitioner.** This amount represents compensation for all damages that would be available under Section 15(a).

The Clerk of Court is directed to enter judgment in accordance with this decision.³

IT IS SO ORDERED.

PROFFER ON AWARD OF COMPENSATION¹

On January 21, 2021, Jean Soderstrom (“petitioner”) filed a petition (“Pet.”) for compensation under the National Childhood Vaccine Injury Act of 1986, 42 U.S.C. §§ 300aa-1 to -34, as amended (“Vaccine Act” or “Act”). Petitioner alleges that she suffered from a left shoulder injury related to vaccine administration (“SIRVA”) as a result of an influenza vaccination administered on November 8, 2018. Petition at 1 (ECF No. 1). On February 13, 2026, the Special Master issued a Ruling on Entitlement finding petitioner entitled to compensation.² ECF No. 49.

I. Items of Compensation

Based on the evidence of record, respondent proffers that petitioner should be awarded \$75,000.00 in pain and suffering. *See* 42 U.S.C. § 300aa-15(a)(4). Petitioner agrees.

¹ This Proffer does not include attorneys’ fees and costs, which the parties intend to address after the Damages Decision is issued.

² The parties have no objection to the amount of the proffered award of damages. However, respondent reserves his right, pursuant to 42 U.S.C. § 300aa-12(e), to seek review of the Special Master’s February 13, 2026 Ruling on Entitlement, finding petitioner entitled to an award under the Vaccine Act. This right accrues following the issuance of the Damages Decision.

This amount represents all elements of compensation to which petitioner is entitled under 42 U.S.C. § 300aa-15(a). Petitioner agrees.

II. Form of the Award/Recommended Payment

The parties recommend that the compensation provided to petitioner should be made through one lump sum payment as described below and request that the Chief Special Master's decision and the Court's judgment award the following:³

A lump sum payment of **\$75,000.00** to be paid through an ACH deposit to petitioner's counsel's IOLTA account for prompt disbursement to petitioner, Jean Soderstrom.

Petitioner is a competent adult. Proof of guardianship is not required in this case.

³ Should petitioner die prior to entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future medical expenses, future lost earnings, and future pain and suffering.
