### **RULING ON ENTITLEMENT**<sup>1</sup>

On January 15, 2021, Mary Holden filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*<sup>2</sup> (the “Vaccine Act”). Petitioner alleges that she suffered a shoulder injury related to vaccine administration (“SIRVA”), a defined Table injury, which also was causally related to the influenza vaccine she received on September 15, 2020. Petitioner further alleges that she received the vaccine in the United States, that she suffered the residual effects of her SIRVA more than six months post-vaccination, and that neither she nor any other person has filed a civil action or received compensation for her SIRVA. Petition at ¶¶ 4, 20-22. The case was assigned to the Special Processing Unit of the Office of Special Masters.
