On November 30, 2022, Petitioner filed an amended petition. Petitioner alleges that she suffered a shoulder injury related to vaccine administration (“SIRVA”) resulting from an influenza vaccine received on October 21, 2020. Amended Petition at 1. Petitioner further alleges that the vaccine was received in the United States, she suffered the residual effects of her injury for more than six months, and no lawsuits have been filed or settlements or awards accepted by anyone, including Petitioner, due to her vaccine-related injury. Amended Petition at ¶¶ 2, 27, 28. The case was assigned to the Special Processing Unit of the Office of Special Masters.
