Petition at 1, ¶¶ 3, 18. Although Respondent initially opposed compensation (ECF No. 77), after reviewing the additional medical records provided by Petitioner (Exs. 41-44, ECF No. 78), he concedes that Petitioner is entitled to compensation in this case. Respondent's Rule 4(c) Report at 1, ECF No. 79. Specifically, Respondent "has concluded that [P]etitioner's alleged injury is consistent with SIRVA as defined by the Vaccine Injury Table." *Id.* at 5. Respondent further agrees that based on the record as it now stands, [P]etitioner has satisfied all legal prerequisites for compensation under the Act." *Id.*

**In view of Respondent's position and the evidence of record, I find that Petitioner is entitled to compensation.**

**IT IS SO ORDERED.**
