Bradley S. Freedberg, Bradley S. Freedberg, P.C., Denver, CO, for Petitioner.

Nina Ren, U.S. Dep't of Justice, Washington, DC, for Respondent.

DECISION AWARDING DAMAGES¹

On May 5, 2021, Lindsay Walker, on behalf of R.W., a minor child, filed a petition seeking compensation under the National Vaccine Injury Compensation Program (“Vaccine Program”).² Petitioner alleged that R.W. suffered from Guillain-Barré syndrome (“GBS”) as a result of R.W.’s November 5, 2019, receipt of the influenza (“flu”), Hepatitis A (“Hep. A”), and Hepatitis B (“Hep. B”) vaccines. Moreover, Petitioner alleged that R.W. experienced residual effects of this injury for more than six months.

Respondent denies that R.W. sustained a GBS Table injury, or that R.W.’s alleged GBS or its residual effects were caused-in-fact by the flu, Hep A, or Hep B vaccines, or any other vaccine;

¹ Under Vaccine Rule 18(b), each party has fourteen (14) days within which to request redaction “of any information furnished by that party: (1) that is a trade secret or commercial or financial in substance and is privileged or confidential; or (2) that includes medical files or similar files, the disclosure of which would constitute a clearly unwarranted invasion of privacy.” Vaccine Rule 18(b). Otherwise, the whole Decision will be available to the public in its present form. *Id.*

² The Vaccine Program comprises Part 2 of the National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3758, codified as amended at 42 U.S.C. §§ 300aa-10 through 34 (2012) (“Vaccine Act” or “the Act”). Individual section references hereafter will be to § 300aa of the Act (but will omit that statutory prefix).

and denies that the vaccines caused R.W. any other injury or R.W.'s current condition. Nonetheless both parties, while maintaining their above-stated positions, agreed in a stipulation that the issues before them could be settled, and that a decision should be entered awarding Petitioner compensation. *See* Stipulation, dated July 20, 2026 (ECF No. 60) (“Stipulation”).

I have reviewed the file, and based upon that review, I conclude that the parties’ stipulation (as attached hereto) is reasonable. I therefore adopt it as my decision in awarding damages on the terms set forth therein.

The stipulation details that Respondent will issue the following vaccine compensation payments:

- A lump sum of \$25,000.00, to be paid through an ACH deposit to Petitioner's counsel's IOLTA account for prompt disbursement to Petitioner, as guardian/conservator of R.W.'s estate;
- An amount of \$100,000.00 to purchase the annuity contract described in paragraph 10 of the Stipulation, to be paid to the life insurance company from which the annuity will be purchased.

Stipulation ¶ 8. This amount represents compensation for all damages that would be available under Section 15(a) of the Act.

I approve a Vaccine Program award in the requested amount set forth above to be made to Petitioner. In the absence of a motion for review filed pursuant to RCFC Appendix B, the Clerk of the Court is directed to enter judgment herewith.³

IT IS SO ORDERED.

/s/ Brian H. Corcoran
Brian H. Corcoran
Chief Special Master

³ Pursuant to Vaccine Rule 11(a), the parties may expedite entry of judgment by each filing (either jointly or separately) a notice renouncing their right to seek review.

STIPULATION

The parties hereby stipulate to the following matters:

1. Lindsay Walker (“petitioner”), on behalf of R.W., a minor child, filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to -34 (the “Vaccine Program”). The petition seeks compensation for injuries allegedly related to R.W.’s receipt of the influenza (“flu”), Hepatitis A (“Hep A”), and Hepatitis B (“Hep B”) vaccines, which vaccines are contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3(a).

2. R.W. received the flu and Hep A vaccines on or about November 5, 2019.¹

3. The vaccinations were administered within the United States.

4. Petitioner alleges that R.W. suffered Guillain-Barré syndrome (“GBS”) within the time period set forth in the Table following administration of the flu vaccine. Petitioner also

¹ The petition, as amended, alleges that R.W. received Hep A, Hep B, and flu vaccinations on November 5, 2019, but the vaccination records indicate that R.W. did not receive a Hepatitis B vaccination on that date, but did receive flu, Hep A, Measles-Mumps-Rubella, and Haemophilus influenzae type b vaccines, all of which are contained in the Vaccine Injury Table.

alleges that R.W. suffered GBS that was caused-in-fact by the Hep A and Hep B vaccines. Petitioner further alleges that R.W. experienced the residual effects of this condition for more than six months.

5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on R.W.'s behalf as a result of R.W.'s condition.

6. Respondent denies that R.W. sustained a GBS Table injury or that R.W.'s alleged GBS or its residual effects were caused-in-fact by the flu, Hep A, or Hep B vaccines, or any other vaccine; and denies that the vaccines caused R.W. any other injury or R.W.'s current condition.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- a. A lump sum of \$25,000.00, to be paid through an ACH deposit to petitioner's counsel's IOLTA account for prompt disbursement to petitioner, Lindsay Walker, as guardian/conservator of R.W.'s estate;
- b. An amount of \$100,000.00 to purchase the annuity contract described in paragraph 10 below, paid to the life insurance company from which the annuity will be purchased (the "Life Insurance Company").

These amounts represent compensation for all damages that would be available under 42 U.S.C. §300aa-15(a).

9. The Life Insurance Company must have a minimum of \$250,000,000.00 capital and surplus, exclusive of any mandatory security valuation reserve. The Life Insurance Company must have one of the following ratings from two of the following rating organizations:

- a. A.M. Best Company: A++, A+, A+g, A+p, A+r, or A+s;
- b. Moody's Investor Service Claims Paying Rating: Aa3, Aa2, Aa1, or Aaa;
- c. Standard and Poor's Corporation Insurer Claims-Paying Ability Rating: AA-, AA, AA+, or AAA;
- d. Fitch Credit Rating Company, Insurance Company Claims Paying Ability Rating: AA-, AA, AA+, or AAA.

10. The Secretary of Health and Human Services agrees to purchase an annuity contract from the Life Insurance Company for the benefit of R.W., pursuant to which the Life Insurance Company will agree to make annuity payments to R.W. for all other damages that would be available under 42 U.S.C. §300aa-15(a), as follows:

- a. Beginning 11/02/2036, \$20,563.44 per year for 10 years certain.

The purchase price of the annuity described in this paragraph shall neither be greater than nor less than \$100,000.00. In the event that the cost of the annuity set forth above varies from \$100,000.00, the annuity payment set forth above shall be adjusted to ensure that the total cost of the annuity is neither less nor greater than \$100,000.00. Should R.W. predecease payment of any of the certain annuity payments set forth above, said payments shall be made to R.W.'s estate. However, written notice to the Secretary of Health and Human Services and the Life Insurance Company shall be provided within twenty (20) days of R.W.'s death.

11. The annuity contract will be owned solely and exclusively by the Secretary of Health and Human Services and will be purchased as soon as practicable following the entry of a judgment in conformity with this Stipulation. The parties stipulate and agree that the Secretary

of Health and Human Services and the United States of America are not responsible for the payment of any sums other than the amounts set forth in paragraph 8 herein and the amounts awarded pursuant to paragraph 13 herein, and that they do not guarantee or insure any of the future annuity payments. Upon the purchase of the annuity contract, the Secretary of Health and Human Services and the United States of America are released from any and all obligations with respect to future annuity payments.

12. The parties stipulate and agree that the annuity payments cannot be assigned, accelerated, deferred, increased, or decreased by the parties and that no part of any annuity payments called for herein, nor any assets of the United States or the annuity company, are subject to execution or any legal process for any obligation in any manner. Petitioner and petitioner's heirs, executors, administrators, successors, and assigns do hereby agree that they have no power or right to sell, assign, mortgage, encumber, or anticipate said annuity payments, or any part thereof, by assignment or otherwise, and further agree that they will not sell, assign, mortgage, encumber, or anticipate said annuity payments, or any part thereof, by assignment or otherwise.

13. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

14. Petitioner and petitioner's attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can

reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

15. Payments made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 13 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

16. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, and past unreimbursable expenses, the money provided pursuant to this Stipulation will be used solely for R.W.'s benefit as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

17. Petitioner represents that she presently is, or within 90 days of the date of judgment will become, duly authorized to serve as guardian/conservator of R.W.'s estate under the laws of the State of Delaware. No payments pursuant to this Stipulation shall be made until petitioner provides the Secretary with documentation establishing her appointment as guardian/conservator of R.W.'s estate. If petitioner is not authorized by a court of competent jurisdiction to serve as guardian/conservator of R.W.'s estate at the time a payment pursuant to this Stipulation is to be made, any such payment shall be paid to the party or parties appointed by a court of competent jurisdiction to serve as guardian/conservator of the estate of R.W., upon submission of written documentation of such appointment to the Secretary. Further, if guardianship is no longer required under the laws of the state of Delaware after R.W. has attained the age of majority, any such payment shall be paid to R.W. upon submission of written documentation of the termination of guardianship to the Secretary.

18. In return for the payments described in paragraphs 8 and 13, petitioner, in petitioner's individual capacity and as legal representative of R.W., on behalf of petitioner, R.W., and R.W.'s heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300 aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of R.W. resulting from, or alleged to have resulted from, the vaccinations administered on or about November 5, 2019, as alleged in an amended petition for vaccine compensation filed on or about September 24, 2021, in the United States Court of Federal Claims as petition No. 21-1318V.

19. If R.W. should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

20. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

21. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 13 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated

and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

22. Petitioner hereby authorizes respondent to disclose documents filed by petitioner in this case consistent with the Privacy Act and the routine uses described in the National Vaccine Injury Compensation Program System of Records, No. 09-15-0056.

23. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the flu, Hep A, or Hep B vaccines caused R.W.'s alleged injury or any other injury or R.W.'s current disabilities, or that R.W. suffered an injury contained in the Vaccine Injury Table.

24. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.
