DECISION ON ATTORNEY’S FEES AND COSTS¹

On June 7, 2021, Gary Templin filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleged that he suffered a Table injury – shoulder injury related to vaccine administration (“SIRVA”), as the result of an influenza (“flu”) vaccination received on October 7, 2020. Petition at 1. On March 18, 2024, I issued a decision determining entitlement and awarding damages to Petitioner, following briefing and expedited Motions Day argument by the parties. ECF No. 34.

Petitioner has now filed a motion for attorney’s fees and costs, requesting an award of \$17,057.70 (representing \$16,236.90 for fees and \$820.80 for costs). Petitioner’s

¹Because this Decision contains a reasoned explanation for the action taken in this case, it must be made publicly accessible and will be posted on the United States Court of Federal Claims’ website, and/or at <https://www.govinfo.gov/app/collection/uscourts/national/cofc>, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2018) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

Application for Attorneys' Fees, filed May 13, 2024, ECF No. 41. In accordance with General Order No. 9, counsel for Petitioner represents that Petitioner incurred no out-of-pocket expenses. *Id.* at 2.

Respondent reacted to the motion on June 28, 2024, indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case, but deferring resolution of the amount to my discretion. Respondent's Response to Motion at 2-3, 3 n.2, ECF No. 45. Petitioner has not filed a reply.

The rates requested for work performed through the end of 2024 are reasonable and consistent with our prior determinations, and will therefore be adopted.

I also note this case required additional briefing regarding the issues of entitlement and damages. See Status Report, filed April 10, 2023, ECF No. 27 (reporting an impasse in settlement discussions); Petitioner's Joint Motion for a Ruling on the Record Regarding Entitlement & Damages, filed July 20, 2023, ECF No. 30; Hearing Minute entry dated March 18, 2024 (regarding proceedings on Mar. 15, 2024). Petitioner's counsel expended approximately 12.0 hours drafting the motion regarding entitlement and damages, and 0.4 hours reviewing Respondent's response. ECF No. 41 at 11-12. I find this time to have been reasonably incurred. (And all time billed to the matter was also reasonably incurred.)

Furthermore, Petitioner has provided supporting documentation for all claimed costs, ECF No. 41 at 15-26. And Respondent offered no specific objection to the rates or amounts sought. I have reviewed the requested costs and find them to be reasonable.

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). **I award a total of \$17,057.70 (representing \$16,236.90 for fees and \$820.80 for costs) as a lump sum in the form of a check jointly payable to Petitioner and Petitioner's counsel, Leigh Finfer.** In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this Decision.³

IT IS SO ORDERED.
