DECISION ON ATTORNEY'S FEES AND COSTS¹

On July 1, 2021, Eileen Arcery filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the "Vaccine Act"). Petitioner alleged that she suffered a Shoulder Injury Related to Vaccine Administration as a result of her influenza vaccination on September 26, 2020. Petition,

If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all section references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2018).

ECF No. 1. On May 10, 2023, I issued a decision awarding compensation to Petitioner based on the Respondent's proffer. ECF No. 47.

Petitioner has now filed a motion for attorney's fees and costs, requesting an award of \$19,656.92 (representing \$18,282.90 in fees plus \$1,374.02 in costs). Petitioner's Application for Fees and Costs ("Motion") filed Sept. 7, 2023, ECF No. 52. In accordance with General Order No. 9, Petitioner filed a signed statement representing that Petitioner incurred no out-of-pocket expenses. ECF No. 52-3.

Respondent reacted to the motion on Sept. 21, 2023, reporting that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case, but deferring resolution of the amount to be awarded to my discretion. Respondent's Response to Motion at 2-3, ECF No. 53. Petitioner did not file a reply thereafter.

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates. Furthermore, Petitioner has provided supporting documentation for all claimed costs. ECF No. 52-2. Respondent offered no specific objection to the rates or amounts sought.

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. I award a total of **\$19,656.92 (representing \$18,282.90 in fees plus \$1,374.02 in attorney's costs) as a lump sum in the form of a check jointly payable to Petitioner and Petitioner's counsel, Bruce W. Slane.** In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this Decision.³

IT IS SO ORDERED.
