Filed: January 17, 2025

Laura Levenberg, Muller Brazil, LLP, Dresher, PA, for Petitioner.

Parisa Tabassian, U.S. Department of Justice, Washington, DC, for Respondent.

DECISION ON ATTORNEY'S FEES AND COSTS¹

On August 24, 2021, Monique Coombes filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleged that she suffered a left shoulder injury related to vaccine administration (“SIRVA”) resulting from an influenza vaccine received on October 23, 2019. Petition at 1. On November 14, 2024, I issued a decision awarding damages to Petitioner, based on Respondent’s proffer. ECF No. 42.

Petitioner has now filed a motion for attorney’s fees and costs, requesting an award of \$21,185.95 (representing \$20,220.30 for fees and \$965.65 for costs). Petitioner’s

If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

Application for Attorneys' Fees, filed Dec. 4, 2024, ECF No. 47. In accordance with General Order No. 9, counsel for Petitioner represents that Petitioner incurred no out-of-pocket expenses. *Id.* at ¶ 4.

Respondent reacted to the motion on December 9, 2024, indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case, but deferring resolution of the amount to be awarded to my discretion. Respondent's Response to Motion at 2-3, 3 n.2, ECF No. 48. Petitioner has not filed a reply.

The rates requested for work performed through the end of 2024 are reasonable and consistent with our prior determinations, and will therefore be adopted.

I also note this case required additional briefing regarding the issue of entitlement, specifically severity in response to Respondent's motion to dismiss. See Petitioner's Response to Respondent's Motion to Dismiss, filed Oct. 24, 2023, ECF No. 35. Petitioner's counsel expended approximately 6.5 hours drafting the response. ECF No. 47 at 15. I find this time to have been reasonably incurred. (And all time billed to the matter was also reasonably incurred.)

Furthermore, Petitioner has provided supporting documentation for all claimed costs, except \$14.66 in postage which I nevertheless will reimburse. ECF No. 47 at 17-24. And Respondent offered no specific objection to the rates or amounts sought. I have reviewed the requested costs and find them to be reasonable.

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). **I award a total of \$21,185.95 (representing \$20,220.30 for fees and \$965.65 for costs) to be paid through an ACH deposit to Petitioner's counsel's IOLTA account for prompt disbursement.** In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this Decision.³

IT IS SO ORDERED.
