Filed: November 2, 2021

Voluntary dismissal; Order  
concluding proceedings; duplicate  
petition.

### **ORDER CONCLUDING PROCEEDINGS**<sup>1</sup>

On September 7, 2021, Angela Wessinger filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa—10 through 34.<sup>2</sup> Petitioner alleged that she developed Guillain-Barré syndrome from an influenza vaccination that she received on October 9, 2018. Petition at 1. On October 19, 2021, Petitioner submitted a notice of voluntary dismissal acknowledging that this case was based on the same vaccination as another case, no. 21-518V, which alleges a different injury. Petitioner intends to proceed with the other case and has consolidated all her injury claims in that case.

In light of Petitioner's "notice of dismissal at any time before service of respondent's report" pursuant to Vaccine Rule 21(a), **this case is dismissed without prejudice.** Accordingly, **this Order hereby notifies the Clerk of Court that proceedings "on the merits" of this petition are now concluded, but no judgment "on the merits" should be entered by the Clerk's Office.**

**IT IS SO ORDERED.**
