DECISION ON ATTORNEY'S FEES AND COSTS¹

On September 14, 2021, Lindsey Woods filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the "Vaccine Act"). Petitioner alleged that she suffered a shoulder injury related to vaccine administration as well as peripheral neuritis, bursitis, or brachial plexus disorder as a result of an influenza vaccine that was administered on October 7, 2020. Petition at 1. On January 24, 2023, I issued a decision awarding compensation to Petitioner based on the parties' stipulation. ECF No. 26.

Petitioner has now filed a motion for attorney's fees and costs, requesting an award of \$15,293.90 (representing \$14,709.50 for fees and \$584.40 for costs). Petitioner's

Application for Attorney's Fees and Costs ("Motion") filed Mar. 13, 2023, ECF No. 31. In accordance with General Order No. 9, counsel for Petitioner represents that Petitioner incurred no out-of-pocket expenses. *Id.* at 2.

Respondent reacted to the motion on Mar. 13, 2023, indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case, but deferring resolution of the amount to my discretion. Respondent's Response to Motion at 2-3, ECF No. 32. Petitioner did not file a reply thereafter.

The rates requested for work performed through the end of 2022 are reasonable and consistent with our prior determinations and will therefore be adopted. Petitioner has also requested 2023 attorney hourly rates for Laura Levenberg, at the rate of \$375 per hour - representing a rate increase of \$25. Motion at 12-13, And Petitioner requests an hourly rate of \$177 for paralegal work performed in 2023. *Id.* at 12. I find these hourly rates to be reasonable and will award the attorney's fees requested. (And all time billed to the matter was also reasonably incurred).

Furthermore, Petitioner has provided supporting documentation for all claimed costs. Attachment to Motion at 15-21. Respondent offered no specific objection to the rates or amounts sought.

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. **I award a total of \$15,293.90 (representing \$14,709.50 for fees and \$584.40 in costs) as a lump sum in the form of a check jointly payable to Petitioner and Petitioner's counsel, Laura Levenberg.**

In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this Decision.³

IT IS SO ORDERED.
