Edward Kraus, Kraus Law Group, LLC, Chicago, IL, for Petitioner.

Camille Michelle Collett, United States Department of Justice, Washington, DC, for Respondent.

DECISION¹

On October 29, 2021, Natosha Dye (“Petitioner”) filed a petition for compensation pursuant to the National Vaccine Injury Compensation Program² on behalf of her minor child, K.A. 42 U.S.C. §§ 300aa-10 to -34 (2018); Pet., ECF No. 1. Petitioner alleged that K.A. suffered from immune thrombocytopenic purpura (“ITP”) as a result of an influenza (“flu”) vaccine K.A. received on November 8, 2018. *Id.*

On February 25, 2026, the parties filed a stipulation (attached as Appendix A) in which they state that a decision should be entered awarding compensation to Petitioner. Stipulation ¶ 7, ECF No. 56. Respondent “denies that K.A.’s alleged ITP or its residual effects were caused-in-fact by the flu vaccine; and denies that the flu vaccine caused K.A. any other injury or K.A.’s current condition.” *Id.* ¶ 6. Nevertheless, the parties agree to the joint stipulation. *See id.* ¶ 7. I find the stipulation reasonable and adopt it as the decision of the Court in awarding damages, on the terms set forth therein.

¹ Because this Decision contains a reasoned explanation for the action taken in this case, it must be made publicly accessible and will be posted on the United States Court of Federal Claims’ website, and/or at <https://www.govinfo.gov/app/collection/uscourts/national/cofc>, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2018) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub L. No. 99-660, 100 Stat. 3755.

The parties stipulate that Petitioner shall receive the following compensation:

- (a) A lump sum of \$80,000.00, to be paid through an ACH deposit to Petitioner's counsel's IOLTA account for prompt disbursement to Petitioner as guardian/conservator of K.A.'s estate.**

Id. ¶ 8. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

I approve the requested amount for Petitioner's compensation. Accordingly, an award should be made consistent with the stipulation.

In the absence of a motion for review filed pursuant to RCFC Appendix B, the Clerk of Court **SHALL ENTER JUDGMENT** in accordance with the terms of the parties' stipulation.³

IT IS SO ORDERED.

Herbrina D. S. Young
Special Master

³ Pursuant to Vaccine Rule 11(a), entry of judgment is expedited by the parties' joint filing of notice renouncing the right to seek review.

STIPULATION

The parties hereby stipulate to the following matters:

1. Natosha Dye (“petitioner”), on behalf of K.A., a minor child, filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §§ 300aa-10 to -34 (the “Vaccine Program”). The petition seeks compensation for injuries allegedly related to K.A.’s receipt of the influenza (“flu”) vaccine, which vaccine is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3 (a).
2. K.A. received the vaccine on or about November 8, 2018.
3. The vaccination was administered within the United States.
4. Petitioner alleges that K.A. suffered idiopathic thrombocytopenia purpura (“ITP”) that was caused-in-fact by the flu vaccine. Petitioner further alleges that K.A. experienced the residual effects of this condition for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on K.A.’s behalf as a result of K.A.’s condition.

6. Respondent denies that K.A.'s alleged ITP or its residual effects were caused-in-fact by the flu vaccine; and denies that the flu vaccine caused K.A. any other injury or K.A.'s current condition.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payment:

A lump sum of \$80,000.00, to be paid through an ACH deposit to petitioner's counsel's IOLTA account for prompt disbursement to petitioner as guardian/conservator of K.A.'s estate.

This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and petitioner's attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies,

Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

11. Payment made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, and past unreimbursable expenses, the money provided pursuant to this Stipulation will be used solely for K.A.'s benefit as contemplated by a strict construction of 42 U.S.C. §§ 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. §§ 300aa-15(g) and (h).

13. Petitioner represents that petitioner presently is, or within 90 days of the date of judgment will become, duly authorized to serve as guardian/conservator of K.A.'s estate under the laws of the Commonwealth of Kentucky. No payments pursuant to this Stipulation shall be made until petitioner provides the Secretary with documentation establishing (her/his/their) appointment as guardian/conservator of K.A.'s estate. If petitioner is/are not authorized by a court of competent jurisdiction to serve as guardian/conservator of K.A.'s estate at the time a payment pursuant to this Stipulation is to be made, any such payment shall be paid to the party or parties appointed by a court of competent jurisdiction to serve as guardian/conservator of the estate of K.A., upon submission of written documentation of such appointment to the Secretary. Further, if guardianship is no longer required under the laws of the Commonwealth of Kentucky after K.A. has attained the age of majority, any such payment shall be paid to K.A. upon submission of written documentation of the termination of guardianship to the Secretary.

14. In return for the payments described in paragraphs 8 and 9, petitioner(s), in petitioner's individual capacity, and as legal representative of K.A., on behalf of petitioner, K.A., and K.A.'s heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of K.A. resulting from, or alleged to have resulted from, the flu vaccination administered on or about November 8, 2018, as alleged by petitioner in a petition for vaccine compensation filed on or about October 29, 2021, in the United States Court of Federal Claims as petition No. 21-2103V.

15. If K.A. should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

16. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

17. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated

and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

18. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the flu vaccine caused K.A.'s alleged injury, or any other injury or K.A.'s current condition.

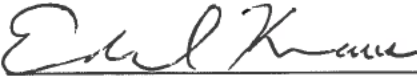

19. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns as legal representatives of K.A.
